LAKE COUNTY
FLORIDA

SINGLE-STREAM CURBSIDE RECYCLING PROGRAM

Recycling is easier than ever for unincorporated Lake County residents with new recycling carts. The County is providing these new carts as part of the residential curbside collection program coming October 2014. The new carts fit more recyclables than your current recycling bin, which will help to reduce waste volume. As waste volume is reduced and recycling increases, the County is able to keep garbage out of landfills and help sustain the environment for future generations.

Single-stream recycling allows all items to be placed in one cart container, without the need to sort.

WHAT CAN I RECYCLE?

The following materials qualify as recyclable materials:

PAPER PRODUCTS

- All paper/fiber products (junk mail)
- Newspapers
- Magazines
- Corrugated cardboard
- Boxboard cardboard

PLASTIC CONTAINERS

- All household plastic containers marked with the recycling symbol (with or without caps)

METAL CONTAINERS

- Aluminum containers
- Steel cans
- Tin cans

GLASS CONTAINERS

- All clear and colored glass (with or without lids)

Please note: Items should be rinsed before being placed in the recycling cart. The following items are not accepted: Styrofoam, batteries, light bulbs and plastic bags. For more information, please contact us at garbagecollection@lakecountyfl.gov, visit **www.LakeCountyFL.gov/GarbageCollection** or call 352-343-3776.
