FEMA Zone
A
AE
X500

Zone A - Areas subject to a one percent or greater annual chance of flooding in any given year. Because no detailed hydraulic analyses have been performed on these areas, no base flood elevations are shown.
Zone AE - Areas subject to a one percent or greater annual chance of flooding in any given year. Base flood elevations are shown as derived from detailed hydraulic analyses.
Zone X500 - Areas of moderate flood hazard from the principal source of flood in the area and determined to be between the limits of the one percent annual chance floodplain and the 0.2 percent annual chance floodplain.
