SAVINGS! SEE THE DIFFERENCE

You can save money two ways with VisionCare. First, the cost of plan services and materials is discounted and prepaid. So **except for any co-payments**, you have **no out-of-pocket expenses** for covered services and supplies when you use one of our network doctors. Second, your coverage costs are deducted from your pay *before* any federal income or FICA taxes are taken out. This makes your taxable wage base lower, so you would pay less tax.

Here's an example of how the plan helps you save over the course of a year:

If You Get:	You Pay:	
	VisionCare Doctor	Typical Retail
Eye exam	.00	\$ 85.00
Frame (designer style)	.00	120.00
Lenses: Bifocal	.00	100.00
Option (pink tint #1 or #2)	.00	15.00
Co-payments:		
\$10 exam/\$15 materials	\$ 25.00	.00
Premium (\$6.50 monthly x 12)	+78.00	.00
	103.00	\$ 320.00
Pre-tax savings (assuming 15% tax bracket & 7.65% FICA)	- 17.67	+ .00
Total Cost	\$85.33	\$ 320.00

YOUR TOTAL SAVINGS THROUGH VISIONCARE: 73% OFF RETAIL

In this example, you would have saved \$234.67 in vision care costs with VisionCare Plan. Keep in mind, however, that your actual savings will depend on your plan allowances, your actual premium, the doctors and materials you select, and your own tax situation.

* This is not a schedule of maximum benefits. For example, the plan covers frames based on the manufacturer's *wholesale* price guide. So while the retail price of a covered frame may vary among plan doctors, the *value* of your covered frame stays the same. Typically, the wholesale frame allowance is equivalent to a retail price of \$80-150. You may be required to pay extra only if you choose a frame that exceeds the covered wholesale price.

HOW DOES VISIONCARE PLAN WORK?

Members simply select any **in-network** optometrist or ophthalmologist and schedule an appointment. You can locate a provider in your area by accessing the current directory online at www.mycompbenefits.com.

The Plan is simple to use. Select a doctor from our provider directory and call for an appointment. At the time of your appointment, present your ID Card to the participating provider. Members will pay only their co-payments and for any extra cosmetic options selected. There are no additional forms to complete or claims to file.

Members can also choose an out-of-network provider. In this case, you will pay the doctor at the time of the visit and submit receipts to CompBenefits for reimbursement.

CAN I GET CONTACTS INSTEAD OF LENSES?

Yes. If you prefer contact lenses, the plan provides an allowance of **\$105.00** in place of all other benefits.
