Section 1.3: Method of Award

As the best interests of the County may require, the County reserves the right to make award(s) on a lowest price basis by individual item, group of items, all or none, or a combination thereof; with one or more suppliers; to reject any and all offers, or waive any minor irregularity or technicality in bids received.

Section 1.4: Pre-Bid Conference / Site Visits

Not applicable to this solicitation

Section 1.5: Term of Contract – Twelve (12) Months

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Office of Procurement Services; and contingent upon the completion and submittal of all required pre-award documents. The initial contract term shall remain in effect for twelve (12) months, and then the contract will remain in effect until completion of the expressed and/or implied warranty period. The contract prices resultant from this solicitation shall prevail for the full duration of the initial contract term unless

otherwise indicated elsewhere in this document.

Section 1.6: Option to Renew for Four (4) Additional Year(s)

Parts:
The County shall have the option to renew this contract for an additional four (4) years on a year-to-year basis provided the vendor will maintain the original contract discount(s) from manufacturer's published price list(s). Continuation of the contract beyond the initial period is a County prerogative, and not a right of the bidder. This prerogative may be exercised only when such continuation is clearly in the best interest of the County.

Services:
Prior to, or upon completion, of the initial term of this contract, the County shall have the option to renew this contract for an additional four (4) year(s) period on a year-by-year basis. Prior to completion of each exercised contract term, the County may consider an adjustment to price based on changes as published by the U.S. Department of Labor, Bureau of Labor Statistics (http://www.bls.gov), Wage, Earnings and Benefits Calculators. It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's request for adjustment should be submitted prior to expiration of the then current contract term. The vendor adjustment request must clearly substantiate the requested increase. The request for adjustment should not be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative will be exercised only when such continuation is clearly in the best interest of the County. Should the vendor decline the County's right to exercise the option period, the County shall consider the vendor in default.

Section 1.7: Method of Payment

The vendor(s) shall submit invoices to the County user department(s) after each individual purchase has been completed. In addition to the general invoice requirements set forth below, the invoices shall reference, as applicable, the corresponding delivery ticket number, packing slip number, or other acceptance document that was signed by an authorized representative of the County user department at the time the items were delivered and accepted. Submittal of these periodic invoices shall not exceed thirty (30) calendar days from the delivery of the goods or services. Under no circumstances shall the invoices be submitted to the County in advance of the delivery and acceptance of the items.

All invoices shall contain the contract and/or purchase order number, date and location of delivery or service, and confirmation of acceptance of the goods or services by the appropriate County representative. Failure to submit invoices in the proscribed manner will delay payment,

and the vendor may be considered in default of contract and its contract may be terminated. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

These documents shall be in effect at the commencement of the contract and shall remain in effect for the life of the contract; unless price escalations are specifically allowable in accordance with this contract. Discounts offered will be evaluated against these price lists and catalogs in order to determine the vendor to whom award may be made pursuant to Section 2.3 herein entitled "Method of Award".

All interpretations of this specification shall be made upon the basis of this agreement.

Section 1.20: Prices shall be based on Discounts from Published Price Lists

Offers shall be submitted on the basis of a discount from a manufacturer's published price list(s). Such published price list(s) must be common to, and accepted by, the industry in general. The lists must be printed, properly identified, and dated as to issuance and effectiveness.

Revised published price lists may be used as a means of price adjustments. However, all offers are to be firm for a period of ninety calendar days after award. Revised price lists will not be accepted by the County until after that date. Revised published price lists will be accepted only in the event of an industry-wide price change, as evidenced by the issuance of revised price lists by the manufacturer.

Section 1.21: Risk of Loss

The vendor assumes the risk of loss of damage to the County's property during possession of such property by the vendor, and until delivery to, and acceptance of, that property to the County. The vendor shall immediately repair, replace or make good on the loss or damage without cost to the County, whether the loss or damage results from acts or omissions (negligent or not) of the vendor or a third party.

The vendor shall indemnify and save the County harmless from any and all claims, liability, losses and causes of action which may arise out of the fulfillment of this contract. The vendor shall pay all claims and losses of any nature whatever in connection therewith, and shall defend all suits, in the name of the County when applicable, and shall pay all costs and judgments which may issue thereon.

Section 1.22: Rebates and Special Promotions

All rebates and special promotions offered by a manufacturer during the term of the contract shall be passed on by the vendor(s) to the County. It shall be the responsibility of the vendor to notify the County of such rebates and/or special promotions during the contract period.

Special promotions shall be offered by the vendor(s) to the County provided that the new price charged for the item(s) is lower than would otherwise be available through the contract. It is

understood that these special promotions may be of a limited duration. At the end of such promotion, the standard contract price shall prevail.

Section 1.23: Service Facilities shall be provided in Central Florida by the Vendor

Offers will only be accepted from vendors which have service facilities that are located in Central Florida (defined as Lake, Osceola, Orange, Seminole, Volusia, Marion, Polk, and Sumter counties). Service facilities are defined as facilities that can provide a full range of parts and repairs for the items covered by this solicitation and resultant contract.

The County reserves the right to perform an inspection of these service facilities during the offer evaluation period, and any time during the term of the contract, and to use this inspection as a means for determining the vendor to which award will be made under this solicitation. The acceptability of the size, location, level of security, and overall functionality of the service facility shall be determined by the County in consideration of the contract requirements. The County's best interests shall prevail in this regard, and the decision of the County in this regard shall be final.

Section 1.24: Stock Levels shall be maintained by Vendor

The vendor(s) shall ensure that adequate stock levels are maintained at its place of business in order to assure the County of prompt delivery. If the delivery terms specified in the solicitation are not fulfilled by the vendor, the County reserves the right to cancel the order, purchase the goods elsewhere, and charge the vendor for any re-procurement costs incurred by the County. If the vendor fails to honor these re-procurement costs, the County may terminate the contract for default.

Section 1.25: Recycle Content

Vendors are required to submit, with their initial offer, a written certification attesting that the products or items offered by the vendor contain the minimum percentage of post-consumer recovered material as defined by the United States Environmental Protection Agency (EPA), or, for commodities not so covered, the minimum percentage of post-consumer recovered materials established by other cognizant regulatory agencies.

The repair estimate shall be itemized by the number of work hours per classification, and by the cost of materials and equipment. Lump sum estimates shall not be accepted. The County reserves the right to award the project based on the lowest written estimate, or to reject all estimates when such action is determined to be in the best interests of the County, and obtain the required services from another source of supply.

Unless otherwise stated in this solicitation the vendor shall furnish all labor, material and equipment necessary for satisfactory contract performance. When not specifically identified in the technical specifications, such materials and equipment shall be of a suitable type and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval of the County's authorized representative.

The County hereby agrees that materials supplied by the vendor in conjunction with this contract may be maintenance certified (re-manufactured, rebuilt, or re-conditioned) as long as they are warranted for merchantability, and carry a warranty equal to new products. In the event any of the materials supplied to the County by the vendor are found to be defective or do not conform to specifications, the County reserves the right to either (1) cancel the order and return such materials to the vendor at the vendor's expense; or (2) require the vendor to replace the materials at the vendor's expense. The vendor's supplier of maintenance certified equipment should be easily identifiable to the County.

Pleas of ignorance of these matters by the bidder will not be accepted as a basis for varying the requirements of the County or the amount to be paid to the vendor.

E. Restricted Discussions
From the date of issuance of this solicitation until final County action, vendors should not discuss the solicitation or any part thereof with any employee, agent, or any other representative of the County except as expressly authorized by the designated procurement representative. The new submittal shall contain the letter and all information as required for submitting the original bid. No changes to a bid will be accepted after the bid opening date.

E. Award of this solicitation will only be made to firms that satisfy all necessary legal requirements to do business with the County. The County may conduct a pre-award inspection of the bidder's site or hold a pre-award qualification hearing to determine the responsibility and capacity of the bidder to perform the requirements of this solicitation.
