Article 2. Purpose

2.1 The purpose of this Agreement is for CONTRACTOR to provide septic system inspection, repair, and maintenance services to various COUNTY facilities.

2.2 The COUNTY's definition of a full maintenance and service repair contract, as embodied in this Agreement, is a contract that provides for the CONTRACTOR to assume all responsibility for inspections, repairs, permits, plans, and necessary engineering to provide a 100% complete project. Such services shall encompass furnishing adequate and appropriate labor, materials, supplies equipment and supervision for the performance of the work set forth hereunder. *The scope of services represents the minimum standards required.*

When required by the pricing structure contained herein, the CONTRACTOR shall be invited to submit price quotes for these additional services. If the quotes are determined to be fair and reasonable, then the additional work will be awarded to the CONTRACTOR. A formal amendment to this Agreement shall be executed. Nothing herein prevents the COUNTY from obtaining quotes from other vendors or contractors.

3.2 Term of Agreement. This Agreement shall commence on the date of execution by the Board of County Commissioners. The initial Agreement term is twelve (12) months, and the Agreement shall remain in effect until completion of the expressed and/or implied warranty period. The Agreement prices shall prevail for the full duration of the initial Agreement term.

3.3 Renewal Terms. Prior to or upon completion of the initial term of this Agreement, the COUNTY shall have the option to renew this Agreement for four (4) additional one (1) year periods. Prior to completion of each exercised term, the COUNTY may consider an adjustment to price based on changes as published by the U.S. Department of Labor, Bureau of Labor Statistics (www.bls.gov). It is the CONTRACTOR'S responsibility to request any pricing adjustment in writing under this provision. The CONTRACTOR'S written request for adjustment should be submitted thirty (30) calendar days prior to expiration of the then current contract term. The CONTRACTOR adjustment request must clearly substantiate the requested increase. The written request for adjustment should not be in excess of the relevant pricing index change. If no adjustment request is received from the CONTRACTOR, the COUNTY will assume that the CONTRACTOR has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of the new option period shall not be considered. The COUNTY reserves the right to reject any written price adjustments submitted by the CONTRACTOR and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of this Agreement beyond the initial term, and any option subsequently exercised, is a COUNTY prerogative, and is not a right of the CONTRACTOR. This prerogative will be exercised only when such continuation is clearly in the best interests of the COUNTY.

4.4 The COUNTY shall make payment on all invoices in accordance with the Florida Prompt Payment Act, Sections 218.70 through 218.79, Florida Statutes.

4.5 Other than the expenses set forth in Exhibit B, CONTRACTOR shall not be entitled to payment for any expenses, fees, or other costs it may incur at any time and in any connection with its performance hereunder. The rates quoted in Exhibit B shall be deemed to provide full compensation to the CONTRACTOR for labor, equipment use, travel time and any other element of cost or price. These rates are assumed to be at straight time for all labor, except as otherwise noted.

The CONTRACTOR is advised that payments under this Agreement may be withheld pending completion and submission of all required forms and documents required of the CONTRACTOR pursuant to the grant funding requirements. A copy of the requirements shall be supplied to the CONTRACTOR by the COUNTY upon request.

4.8 CONTRACTOR acknowledges and agrees that if the services provided under this Agreement are being supported in whole or in part by Federal and/or State funding, CONTRACTOR shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of:
