ADDENDUM NO. 1

Date: April 17, 2012

Invitation to Request for Proposal (RFP) 12-0815

Hazardous Waste Disposal Services

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum ___ does X does not change the date for receipt of bids or proposals.

The purpose of this addendum is to provide confirming information to all potential responding vendors in association with the cited Invitation to Bid. The information provided herein summarizes discussions at the pre-bid meeting and a response to an associated subsequent question

Questions received:

1. Who is the incumbent for this contract?

Answer: Environmental Quality (EQ)

2. What is the incumbent's current pricing?

Answer: See Attached manifests

3. What were the volumes and number of containers generated and shipped during the last contract year?

Answer: Total: 31.31 tons (183120 lbs.) Quarterly Average Drums processed: 96 per clean out.

4. How much did the County spend on HHW and Special Event collection, transportation and disposal services during the last contract year?

Answer: \$60,000 for Hazardous Waste Locker Cleanout- Lake County HHW designated dates for household collection events internally and return to center. Lake County did not designate Special Event Collections via contracted vendor. We are pending establishing in new contract.

How many collection events were held during each of the last two previous contract years for HHW Events and Special Collection Events? (Please report the number of collection events separately for HHW Events and Special Collection Events.)

Answer: Lake County held 10 HHW in household collections. No Special Collection events done by vendor/ contractor.

What are the frequency and duration of events for both the Household Hazardous Waste (HHW) Collection Events and the Special Waste Collection Events?

Answer: The duration for events will be from 9:00 AM-Noon on designated days

Are the "Special Events" as stated in the RFP being held for the SQG and CESQG? If not, who is the target customer and what is the objective of the "Special Collection Events"?

Answer: SQG and CESQG for businesses and small businesses.

Can the County's permanent household chemical collection site at 13130 County Landfill Road, Tavares, Florida be a fixed location for all of the collection and transportation of waste streams from the HHW events and Special Collection Events including the SQG and CESQG events or do milk runs have to be established for the SQG and CESQG events as stated in the RFP?

Answer: No, the permanent collection site cannot be used as a host. Milk runs must be established for SQG events as stated in RFP.

Regarding pages 2 and 20 of the RFP, will the county be the "bill to" customer for all of the HHW events including the Special Events (which is assumed to include the SQG and CESQG events)?

Answer: CESQG and HHW will be billed to county. SQG will be billed directly to Small Businesses requesting assistance.

Does the county want pricing for the bidder to include providing personnel to staff all HHW events and Special Collection events?

Answer: Yes, send pricing information for providing personnel.

5. Are waste profiles available for the bulk waste streams?

Answer: Yes, Current Vendor has profiles on file. I will forward once I receive them.

6. Please provide clarification on "Poison B" as stated in the RFP, Pricing Section on page 30. Is "Poison B" in reference to the DOT hazard zone designation for packing groups?

Answer: Designated for packing group
