This project is located in Minneola and shall consist of constructing a turn lane on CR-50 (Washington Street) at its intersection with US 27. Other work associated with this project shall include asphalt milling, construction of a concrete traffic separator 6' in width, excavation of a retention pond, storm pipe and structure installation, sidewalk construction, fence installation, thermoplastic striping, tree removal and other miscellaneous incidental construction. Engineer's estimate is \$347,300.

As part of this project, Lake County has entered into an interlocal agreement with the City of Minneola for the installation of a 6" water line. Bidders shall be required to provide an alternate bid for this work. Engineer's estimate for this alternate bid is \$61,500.

Work performed under this contract shall be based on a lump sum bid. Quantities, if shown in the construction plans, are estimated for bidding purposes only and shall be verified by the contractor.

Pay special attention to all notes shown in the construction plans.

Contractor shall video the project limits prior to beginning construction. The video shall be in DVD format and provided to Lake County before construction begins. Detail should be given to all existing fence lines, driveways, hedge lines, etc., to document existing conditions prior to construction.

Bid to sod all disturbed areas matching all existing grass types. Contractor shall be responsible for watering all sod until there is established growth.

All utilities shown in the construction plans to be relocated shall be the responsibility of the utility provider to relocate with the exception of the Minneola water line as depicted in the City of Minneola Water Main Relocation plans; bidders shall be required to provide an alternate bid for this work.

Contractor shall provide two (2) red-lined, complete copies of plans as as-built drawings for the project. Contractor shall supply certified plans for FDEP acceptance to the City of Minneola for the water main relocation work.

Contractor shall bid to remove five (5) additional trees located near the following stations: 13+85 (30" oak), 14+15 (30" oak), 15+75 (18" oak), 16+00 (28" oak), and 16+24 (18" oak) left roadway. These trees are to be cut off at the stump and the stumps are to be ground down below ground level and sodded over to prevent damage to drain fields located within the immediate area. The trees are located on private property and the contractor shall coordinate the work with the property owner. Contractor shall be required to obtain a tree removal permit from the City of Minneola Planning Department before removal of these trees. There will be no fees associated with these permits.

All ADA mats must be liquid applied and the materials must be on the FDOT QPL list.

Contractor shall bid to address a grading issue regarding the driveway located at Station 15+50. This driveway shall not exceed a 10% longitudinal slope, as shown on the construction plans.

All mobile homes, septic tanks, and the wall shown on Sheet 6 of 10 of the construction plans shall be removed by Lake County. This demolition work shall start on April 7, 2014, and completed prior to issuance of the Notice to Proceed for this project.

Contractor shall take note that a storm conflict shown at approximately Station 10+15 left in the City of Minneola Water Main Relocation E Washington St (Galena Ave – Bloxam Ave) plans, located on sheet C102A, is not shown in the Lake County Florida E. Washington St/US 27 Intersection Improvement plans; however, this item must be addressed in the roadway construction bid.

Contractor shall ensure that all side streets, business entrances, and driveways within the project limits remain open to traffic during construction.

All necessary Florida Department of Transportation permits have been obtained by Lake County and are attached hereto.

Please note there are two sets of construction plans, titled:

City of Minneola Water Main Relocation E Washington St (Galena Ave – Bloxam Ave), and

Lake County Florida E. Washington St/US Hwy 27 Intersection Improvements

Contractor shall be required to bid the work associated with both sets of construction plans.

Questions Asked at the Pre-Bid Meeting:

Q1. Is just the trailers and drain fields being removed?

A1. The mobile homes, drain fields, and the wall are going to be removed by Lake County.

Q2. Would Lake County allow the milling and resurfacing to be completed at night?

A2. Yes, Lake County would allow paving and milling at night with an approved MOT plan.

Q3. Are the traffic loops to be installed in the milled surface or the final surface?

A3. Contractor shall bid to install the traffic loops in the final surface. Contractor shall bid to install temporary detection devices for the signal while the traffic loops are inoperable.

PART 6: APPEAL PROCEDURES

You may petition for an administrative hearing pursuant to sections 120.569 and 120.57, Florida Statutes. If you dispute the facts stated in the foregoing Notice of Intended Department Action (hereinafter Notice), you may petition for a formal administrative hearing pursuant to section 120.57(1), Florida Statutes. If you agree with the facts stated in the Notice, you may petition for an informal administrative hearing pursuant to section 120.57(2), Florida Statutes. You must file the petition with:

Clerk of Agency Proceedings
 Department of Transportation
 Haydon Burns Building
 605 Suwannee Street, M.S. 58
 Tallahassee, Florida 32399-0458

The petition for an administrative hearing must conform to the requirements of Rule 28-106.201(2) or Rule 28-106.301(2), Florida Administrative Code, and be filed with the Clerk of Agency Proceedings by 5:00 p.m. no later than 21 days after you received the Notice. The petition must include a copy of the Notice, be legible, on 8 1/2 by 11 inch white paper, and contain:

1. Your name, address, telephone number, any Department of Transportation identifying number on the Notice, if known, the name and identification number of each agency affected, if known, and the name, address, and telephone number of your representative, if any, which shall be the address for service purposes during the course of the proceeding.
2. An explanation of how your substantial interests will be affected by the action described in the Notice;
3. A statement of when and how you received the Notice;
4. A statement of all disputed issues of material fact. If there are none, you must so indicate;
5. A concise statement of the ultimate facts alleged, including the specific facts you contend warrant reversal or modification of the agency's proposed action, as well as an explanation of how the alleged facts relate to the specific rules and statutes you contend require reversal or modification of the agency's proposed action;
6. A statement of the relief sought, stating precisely the desired action you wish the agency to take in respect to the agency's proposed action.

If there are disputed issues of material fact a formal hearing will be held, where you may present evidence and argument on all issues involved and conduct cross-examination. If there are no disputed issues of material fact an informal hearing will be held, where you may present evidence or a written statement for consideration by the Department.

Mediation, pursuant to section 120.573, Florida Statutes, may be available if agreed to by all parties, and on such terms as may be agreed upon by all parties. The right to an administrative hearing is not affected when mediation does not result in a settlement.

Your petition for an administrative hearing shall be dismissed if it is not in substantial compliance with the above requirements of Rule 28-106.201(2) or Rule 28-106.301(2), Florida Administrative Code. If you fail to timely file your petition in accordance with the above requirements, you will have waived your right to have the intended action reviewed pursuant to chapter 120, Florida Statutes, and the action set forth in the Notice shall be conclusive and final.
