1. INTENT OF CONTRACT DOCUMENTS

- i. It is the intent of the contract documents to describe a functionally complete project (or portion thereof) in accordance with the contract documents. Any work, materials, or equipment that may reasonably be inferred from the contract documents as being required to produce the intended result shall be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words shall be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association, or to the laws or regulations of any governmental authority having jurisdiction over the project, whether such reference be specified or by implication, shall mean the latest standard specification, manual, code, law or regulation in effect at the time the work is performed, except as may be otherwise specifically stated herein.
- ii. The contract documents and all referenced standards cited therein are essential parts of the contract requirements. A requirement occurring in one is as binding as though occurring in all. They are intended to be complementary and to describe and provide for a complete project.
- iii. If drawings are provided, they intended to show general arrangements, design and extent of work. In the event of a discrepancy between or among the drawings, specifications or other contract document provisions, the Contractor shall be required to comply with the provision which is the more restrictive or stringent requirement upon the Contractor, as determined by the County's Project Manager.

2. ERRORS AND OMISSIONS

It is the intent of the County to have a completed project when the work is finished. The Contractor shall not take advantage of any apparent error or omission in the contract documents. If any error or omission appears in the contract documents, the Contractor shall immediately notify the County's Project Manager in writing of such errors or omissions. In the event the Contractor knows or should have known of any error or omission and fails to provide such notification, the Contractor shall be deemed to have waived any claim for increased time or compensation the Contractor may have had, and the Contractor shall be responsible for the results and the costs of rectifying any such error or omission.

3. HOURLY RATE

The hourly rate quoted shall be deemed to provide full compensation to the vendor for labor, supervision, equipment use, travel time, and all other costs associated with providing the services needed to satisfactorily complete all work provided by the vendor. This rate is assumed to be at straight-time for all labor, except as otherwise noted. The vendor shall comply with minimum wage standards, and/or any other wage standards specifically set forth in this solicitation and resultant contract, and any other applicable

laws of the State of Florida. If overtime is allowable under this contract, it will be covered under a separate item in the special clauses.

4. EMPLOYEES

The Contractor shall provide competent, suitable, and qualified personnel to perform the work as required by the specifications, the Contractor shall be fully responsible for the performance of his/her organization and completion of all work under this Contract, and shall, at all times, maintain good discipline and order at the work site. The Contractor shall provide trustworthy, reliable employees and shall make a good faith effort to retain the same employees to service Lake County.

5. DRESS CODE

- i. The Contractor shall maintain a dress code for their employee's with a minimum of shirts, pants and work shoes/boots, in decent condition, at all times while the work is being performed. The Contractor's employees shall be neat and clean in appearance and a form of identification that clearly identifies them as employees of the Contractor.
- ii. All workers shall be required to wear an ID badge identifying them as approved Vendors. Lake County will supply the ID badges. The Contractor will ensure that all workers employed under this contract, whether employed by the Contractor or a subcontractor are scheduled, prior to assignment, for an appointment during the County's normal working hours with the County's Project Manager, to process and receive the ID badge. All new workers must be assigned an ID badge prior to starting work. The contractor should be aware that it may take up to one week to receive ID badges after required information has been received and pictures have been taken.

6. SUPERVISION

Contractor shall supply a superintendent which has the ability to speak and understand English, and at least one responsible person who speaks and understands English shall be on the project during all working hours. Superintendent shall be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with management personnel. All communications to the Superintendent shall be as binding as if given to the Contractor. The Contractor shall be required to provide the name and position within the company of the supervisor(s) to the County. The Contractor shall provide a telephone answering service for the use of the supervisor(s) for work-related messages. The supervisor(s) shall have a cell phone in good working order provided. This cell phone number shall be provided to the County's Project Manager.

7. BACKGROUND CHECK

- i. When required by the Scope of Work, all employees, subcontractors, and representatives of the Contractor that will be on County property shall be required to submit to the Florida The Contractor is to provide the County with a complete list of personnel, subcontractors, and representatives of the Contractor that shall be utilized in the performance of the work. The list shall include, a full name, address, telephone number, copy of social security card,

and a copy of driver's license/State of Florida Identification Card/valid passport/valid work visa. Background checks shall be performed by the Lake County Sheriff's office at no expense to the Contractor. At no time shall any person associated with the Contractor be granted access to perform work on County property prior to a completed background check. All decisions related to the approval of background checks shall be made by the Lake County Sheriff's office. All decisions are final.

- ii. The Contractor shall provide the County with a complete list of personnel, including a full name, address, telephone number, copy of social security card, copy of driver's license/State of Florida Identification Card/valid passport/valid work visa and background check clearance at least ten (10) calendar days before the agreement becomes effective, if not already provided. It is recommended that the Contractor keep on file with the County's Project Manager a list of persons who may work at County properties so that replacements can be made quickly. Should the Contractor assign someone who has not had a background check, that person will be immediately ordered off of County property and the Contractor may not bill the County for any hours worked. The Contractor **MUST** remove any employee from County service who is convicted of a felony crime during this contract. After initial background checks have been made, if requested, they must be done annually for any person working at County sites after one year. Failure to obtain background checks as specified can result in termination of the contract.
- iii. The County reserves the right to require immediate removal of any employee from County service it deems unfit for service for ANY reason. This right is non-negotiable and the Contractor agrees to this condition by accepting this Contract. The Contractor should have enough qualified people with current background checks so as to be able to provide a replacement within 24 hours.

8. EMERGENCIES

- i. If required by the Scope of Work, the Contractor shall have a responsible person available at, or reasonably near the County on a twenty-four (24) hour basis, seven (7) days a week, who may be contacted in emergencies and in cases where immediate action must be taken to maintain traffic or to handle any other problem that might arise. The Contractor's responsible person for supervision of emergencies shall speak and understand, both verbally and in writing, the English language. The Contractor shall submit to the County's Project Manager, the phone numbers and names of personnel designated to be contacted in cases of emergencies. Included in this list shall be twenty-four (24) hour contact phone numbers for all subcontractors, if any, performing work under this agreement. This list shall contain the name of their supervisors responsible for work pertaining to this contract.
- ii. In the event of an emergency affecting the safety or protection of persons, or the work or property at the project site or adjacent thereto, the Contractor, without special instruction or authorization from the County's Project Manager is obligated to act to prevent threatened damage, injury or loss. The Contractor shall contact the County's Project Manager as soon as possible by telephone and with written notice as soon as possible, but no later than twenty-four (24) hours after the occurrence of the emergency, if the

Contractor believes that any significant changes in the work or variations from the contract documents. If the County's Project Manager determines that a change in the contract documents is required because of the action taken in response to an emergency, a change order request shall be issued to document the consequences of the changes or variations. If the Contractor fails to provide written notice within the twenty-four (24) hour limitation noted above, the Contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

9. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH/ HAZARDOUS MATERIALS

- i. Contractor certifies that all material, equipment, etc., to be used in an individual project meets all Occupational Safety and Health Administration (OSHA) requirements. The Contractor further certifies that if any of the material, equipment, etc., is found to be deficient in any OSHA requirement in effect on the date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Contractor. All standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act (ADA) regulations must be provided and used by the Contractor and its employees.
- ii. Any chemical item supplied under this contract shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:
 - a. The chemical name and the common name of the toxic substance.
 - b. The hazards or other risks in the use of the toxic substance, including the potential for fire, explosion, corrosiveness, and reactivity.
 - c. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substances.
 - d. The primary route of entry and symptoms of exposure.
 - e. The proper precautions, handling practices, necessary personal protective equipment, and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of overexposure;
 - f. The emergency procedure for spills, fire, disposal and first aid.
 - g. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.
 - h. The year and month, if available, that the information was compiled, and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.
- iii. Any spillage of hazardous chemicals and/or wastes caused by the Contractor must be reported immediately to the proper authority and the County's Project Manager. All spills

shall be cleaned up in accordance with all local, State, and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals caused by the Contractor shall be the sole responsibility of the Contractor and the County will share no responsibility for these costs. A copy of a completed compliance order with local, State, and Federal agencies shall be given to the County.

- iv. If any hazardous chemicals or conditions are discovered by the Contractor during the normal work operation, it is the responsibility of the Contractor to immediately contact the County's Project Manager with a description and the location of the condition.
- v. The County's Project Manager or other County representatives may periodically monitor the work for safety. Should there be safety and/or health violations, the County's representative may have the duty to require the Contractor to correct the violation in an expeditious method. If there is any situation that is deemed unsafe by the County's Project Manager or other County representatives, the project will be shut down immediately upon notice and will not resume work until the unsafe condition has been remedied.
- vi. Should the work site be in a hazardous area, the County shall take reasonable actions to furnish the Contractor with information concerning hazards such as the types or the identification of known toxic material, machine hazards, Material Safety Data Sheets, or any other information that would assist the Contractor in the planning of a safe work site. The Contractor retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives.
- vii. The Contractor shall be aware that while working for the County, representatives from agencies such as the United States Department of Labor, Occupational Safety and Health Administration (OSHA), and the Division of Safety, State of Florida, are invitees and do not need to have warrants or permission to enter the work site.
- viii. The Contractor shall designate a competent person of its organization whose duty shall be the prevention of accidents. This person shall be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with management personnel. This person shall be the Contractor's Superintendent unless otherwise designated in writing to the County's Project Manager. All communications to the Superintendent shall be as binding as if given to the Contractor.

10. LICENSING

The Contractor shall retain all appropriate professional licenses throughout the term of this Agreement. The Contractor will only be given projects which fall into the categories permitted by their particular license.

11. PRE-BID MEETING

If required, the Contractors shall attend a mandatory pre-bid meeting of the facility where work is proposed and is also required to carefully examine any supplied drawings and/or specifications and be thoroughly aware regarding any and all conditions that may in any manner affect the work to be performed under the contract. If a pre-bid meeting is not required the Contractor shall visit the site to familiarize themselves with the project, see existing conditions, and take measurements. No additional allowances will be made for lack of knowledge of these conditions.

12. GENERAL INSPECTION REQUIREMENTS

- i. Due to the nature of this Agreement, the County shall at the time of establishment of need, require the Contractor to become fully informed as to the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangement for Contractor's inspection of facilities or sites and/or activity schedules may be secured from the user department. Failure to visually inspect the facilities or sites may be cause for disqualification of Contractor on that individual project.
- ii. Contractor shall furnish the County's Project Manager with every reasonable facility for ascertaining whether the work performed and/or materials used are in accordance with the requirements and intent of the specifications. If the County's Project Manager so requests, the Contractor shall, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, the Contractor shall restore the uncovered portions of the work to the standard required by the specifications. Should the work exposed or examined prove unacceptable in the opinion of the County's Project Manager, the uncovering or removal, and the replacing of the covering or making good of the items removed, shall be at the Contractor's expense. However, should the work exposed or examined prove acceptable in the opinion of the County's Project Manager, the uncovering or removing and the replacing or the covering or making good of the items removed, shall be paid for by the County.
- iii. If during or prior to the operations, the County's Project Manager should fail to reject defective work or materials, whether from lack of discovery of such defect, or for any other reason, such initial failure to reject shall in no way prevent the County's Project Manager's later rejection when such defect is discovered, nor obligate the County to final acceptance or payment, and the Contractor shall make no claim for losses suffered due to any necessary removals or repairs of such defects.
- iv. If during or prior to the operations, the County's Project Manager rejects any portion of the work on the grounds that the work or materials are defective, notice will be given to the Contractor. The Contractor shall then have seven (7) calendar days from the date the notice is received to correct the defective condition. If the defect has not been corrected within seven (7) calendar days, the County's Project Manager will send a second written

notice to the Contractor giving the Contractor another seven (7) calendar days to correct the defect. If the Contractor fails to correct the deficiency within the second seven (7) calendar days after receipt of the notice, the County may take whatever action is necessary, including correcting the deficient work utilizing another Contractor or terminating the contract.

- v. Should the Contractor fail or refuse to remove and renew any defective material used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the requirements of the specifications, within the time indicated in writing, the County, will have the authority to cause the unacceptable or defective materials or work to be repaired, removed and replaced, as may be necessary, at the Contractor's expense. Any expense incurred by the County, whether direct, indirect or consequential, in making the repairs, removals, or replacements, which the Contractor has failed or refused to make, shall be paid for out of any monies due or which may become due the Contractor, or may be charged against the contract bond, if any. A Change Order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such direct, indirect and consequential costs shall include, such as, but not be limited to: costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of work of the Contractor's defective work and additional compensation due the County. The Contractor shall not be allowed an extension of the contract time because of any delay in performance of the work attributable to the exercise by the County of the County's rights and remedies hereunder.
- vi. When the United States Government or the State of Florida is to pay a portion of the cost of the project, the work will be subject to such inspection by Federal or State representatives as deemed necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.
- vii. All work performed and all materials furnished shall be in reasonably close conformity with the tolerances indicated in the specifications. In the event the County's Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the County's Project Manager will then make a determination if the work shall be accepted and remain in place. In this event, the County's Project Manager will document the basis of acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the County's Project Manager deems necessary to conform to the determination based on the County's Project Manager's professional judgment.

13. COUNTY'S PROJECT MANAGER

It is agreed to by the parties that the County's Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the scope of services and as to the character, quality, amount and value of any work done, and materials furnished, under

or by reason of this Agreement. The County's Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

14. PURCHASE ORDERS

Purchase orders shall be issued for projects to the Contractor. Issuance of a purchase order is not a directive to begin work unless otherwise specified. A written notice to proceed is required for the Contractor to schedule or begin work. Email notice is acceptable.

15. CONTRACT TIME

- i. The Contractor acknowledges that time is of the essence in carrying out Contractor responsibilities. If the Contractor fails to have the project completed by the specified time, the County may, at its discretion, either apply liquidated damages or hire another company to complete the work as needed. Any additional cost incurred by the County because of the Contractor's failure to complete the project as assigned shall be deducted from the Contractor's final invoice.
- ii. Should the Contractor be obstructed or delayed in the prosecution of or completion of the work as a result of unforeseeable causes beyond the control of the Contractor, and not due to the Contractor's fault or neglect, the Contractor shall notify the County's Project Manager by telephone as soon as possible and in writing within two (2) business days after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which the Contractor may have had to request a time extension.
- iii. If the Contractor complies with the two (2) business days' notice requirement, the County's Project Manager will ascertain the fact and the extent of the delay being claimed and recommend an extension to the contract time when, in the County's Project Manager's sole judgment, the findings of fact justify such an extension. The Contractor shall cooperate with the County's Project Manager's investigation of the delay by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted for only those delays which impact the Contractor's schedule. Extensions of contract time, if approved by the County's Project Manager, must be authorized in writing.

16. LIQUIDATED DAMAGES

- i. Unless otherwise agreed to, weather events are specifically excluded as excused cause for delay under this agreement and no additional days shall be given for rain days.
- ii. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the County's Project Manager may send out a notification notifying Contractor of assessment of Liquidated Damages that can be applied for any day over the time allowed per the contract.

- iii. The County and the Contractor recognize that, since time is of the essence for this agreement, the County will suffer financial loss if the work is not completed within the time specified. The County will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the project continues. The project shall be deemed to be completed on the date the work is considered complete to the satisfaction of the County. The Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the County’s actual damages at the time of contracting if the Contractor fails to complete the work in a timely manner. The Liquidated Damages shall be as follows:

| <u>Specific Project Amount</u> | <u>Daily Charge Per Calendar Day</u> |
|--|--------------------------------------|
| \$5,000 and under..... | \$ 25 |
| Over \$5,000 but less than \$10,000..... | \$ 65 |
| \$10,000 or more but less than \$20,000..... | \$ 91 |
| \$20,000 or more but less than \$30,000..... | \$121 |
| \$30,000 or more but less than \$40,000..... | \$166 |
| \$40,000 or more but less than \$50,000..... | \$228 |

- iv. County shall retain from the compensation to be paid to Contractor the above described sum.
- v. Any Contractor that is in default for not completing the work within the time specified, at the option of the County, may not permitted to perform work for the County until the project is complete and the liquidated damages sum is satisfied.

17. HOURS OF OPERATION

- i. Unless otherwise specified in the technical specifications, all work performed shall be accomplished between the hours of 7:00 A.M. and 5:00 P.M., Monday through Friday, and no work shall be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the Contractor and approval, in writing, has been granted by the County’s Project Manager. Request for permission to work must be received by the County’s Project Manager no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. County Holidays are as follows:

- New Year’s Day
- Martin Luther King, Jr. Day
- Presidents’ Day
- Memorial Day
- Independence Day
- Labor Day

Veteran's Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day

- ii. Special schedules may be established if necessary because of problems with noise or similar difficulties affecting citizens in homes or buildings/rooms adjacent to the work being completed. When the Contractor requests and is approved for Saturday, Sunday or Holiday work, the County may assess the Contractor the sum of Two Hundred Fifty Dollars (\$250.00) per man per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

18. CHANGES IN WORK

- i. The County may at any time, by issuance of a Change Order executed in accordance with the County's Purchasing Policies and Procedures, make changes within the general scope of this Agreement. If additional work or other changes are required an offer will be requested from the Contractor. Upon negotiation of the offer, execution and receipt of the Change Order, the Contractor shall commence performance of the work as specified.
- ii. The Contractor shall not commence any additional work or other changes covered by the Scope of Services for the individual project without an executed Change Order. If the Contractor performs additional work beyond the specific requirements of this Agreement without an executed Change Order, it shall be at the Contractor's own risk. The County assumes no responsibility for any additional costs for work not specifically authorized by an executed Change Order.
- iii. Change orders shall not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the Contractor.

19. RETAINING OTHER CONTRACTORS

Nothing herein shall be deemed to preclude the County from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the Contractor or from independently developing or acquiring materials or programs that are similar to or competitive with the services provided under this Agreement.

20. CLAIMS AND DISPUTES

- i. Claims by the Contractor shall be made in writing to the County's Project Manager within two (2) business days after the commencement of the event giving rise to such claim or else the Contractor shall be deemed to have waived the claim. Written supporting data shall be submitted to the County's Project Manager within ten (10) calendar days after the occurrence of the event, unless the County grants additional time in writing, or else the Contractor shall be deemed to have waived the claim. All claims shall be priced in

accordance with the provisions of the section in this document entitled “Changes in Work”.

- ii. The Contractor shall proceed diligently with its performance as directed by the County, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing. The County shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.
 - a. Claims by the Contractor shall be resolved in the following manner:
 - 1) Upon receiving the claim and supporting data, the County’s Project Manager will review the claim, or if the County’s Project Manager is not a County employee, will forward the claim to the County. The County will within fifteen (15) business days respond to the claim in writing stating that the claim is either approved or denied. If denied, the County will specify the grounds for denial. The Contractor shall then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the County that the original claim stands as is.
 - 2) If the claim is not resolved, the County may, at its option, choose to submit the matter to mediation. A mediator shall be mutually selected by the parties and each party shall pay one-half (1/2) the expense of mediation. If the County declines to mediate the dispute, the Contractor may bring an action in the County or Circuit Court sitting in Lake County, Florida.
 - b. Claims by the County against the Contractor shall be made in writing by the County’s Project Manager as soon as the event leading to the claim is discovered by the County. Written supporting data shall be submitted by the County’s Project Manager. All claims shall be priced in accordance with the provisions of the section in this document entitled “Changes in Work”. The party to whom the County’s Project Manager’s determination is not in favor of may appeal the determination as set forth in subsection (2) above.
 - c. Arbitration shall not be considered as a means of dispute resolution.

21. SUBMITTALS AND EQUAL PRODUCTS CAN BE CONSIDERED

- a. Submittals of all products that are to be part of this project shall be supplied to the County for pre-approval prior to the start of any work. These documents shall be provided to the County at least one (1) week before the installation.
- b. If a product or service requested by this ITB has been identified in the specifications by a brand name, and has not been notated as a “No Substitute” item, such identification is intended to be descriptive and not restrictive, and is to

indicate the quality and characteristics of product or service that will be acceptable. Vendors offering an alternate product will be considered for award if such product is clearly identified in the bid or proposal and is determined by the County to fully meet the salient characteristic requirements listed in the specifications. An alternate product will not be considered for any item notated “No Substitute”.

Unless the vendor clearly indicates in its bid or proposal that it is proposing an alternate product, the bid or proposal shall be considered as offering the same brand name referenced in the specifications.

If the vendor proposes to furnish an alternate product or service, the brand name of the product or service to be furnished shall be clearly identified. A formal submittal for the alternate/shop drawings shall be submitted. The evaluation of the bid or proposal and the determination as to acceptability of the alternate product or service shall be the responsibility of the County and will be based upon information furnished by the vendor. The County will not be responsible for locating or securing any information which is not included in the bid or proposal. To ensure that sufficient information is available, the vendor shall furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the County can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

22. LABOR, FUEL, EQUIPMENT, & MATERIALS SHALL BE SUPPLIED BY THE CONTRACTOR

Unless otherwise stated in this solicitation the Contractor shall furnish all labor, fuel, equipment, and materials necessary for satisfactory contract performance. When not specifically identified in the technical specifications, such materials and equipment shall be of a suitable type and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval of the County’s Project Manager.

23. MAINTENANCE OF TRAFFIC (MOT)

- i. In the event that any of the work is conducted within any public right of way the Contractor shall be responsible for proper MOT. Unless otherwise specified, the standard specifications to be used for the work shall be the most applicable and the most stringent of the following
- ii. Maintenance of traffic shall be the responsibility of the Contractor, is part of the Contractor’s proposal price, and shall conform to F.D.O.T.’s most current editions of “STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION,” 2013 edition (or latest edition), or FDOT “ROADWAY AND TRAFFIC DESIGN STANDARDS,” 2002 (or latest edition), or FDOT “MANUAL OF UNIFORM MINIMUM STANDARDS FOR DESIGN, CONSTRUCTION AND MAINTENANCE

FOR STREETS AND HIGHWAYS,” 2002 (or latest edition), Federal Highway Administration (FHWA) “MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES (MUTCD),” 2009 (or latest edition), and all supplemental specifications thereto. These documents can be ordered from F.D.O.T, Maps and Publications Department, 605 Suwannee Street, Tallahassee, Florida, 32399-0450, or by going to the F.D.O.T. website at: www.dot.state.fl.us/mapsandpublications

- iii. All costs associated with MOT must be included in the Contractor’s proposal price. No separate line items for MOT will be included in the cost estimate. If the Contractor does not comply with the F.D.O.T. and the F.H.W.A (i.e. signs, qualified flaggers and/or barricades), the County reserves the right to direct the Contractor to cease operation until deficiencies are corrected. In addition, no road closures shall be allowed except in the case of emergencies.
- iv. If the Contractor feels that assistance from an off duty police officer is needed, it shall be the responsibility of the Contractor to hire and pay for this service.
- v. All lane closures shall have the prior approval of the County’s Project Manager.
- vi. The foregoing requirements are to be considered as minimum and the Contractor’s compliance shall in no way relieve the Contractor of final responsibility for providing adequate traffic control devices for the protection of the public and Contractor’s employees throughout the work area.
- vii. The use of public roads and streets by the Contractor shall provide a minimal inconvenience to the public and traffic. Furthermore, if the Contractor is utilizing the road by driving the slow moving equipment, the operator shall allow no more than three (3) vehicles to be backed up behind them at any time before pulling to the side to let traffic pass.

24. UNDERGROUND UTILITIES

Any required ground digging or subsurface work shall be done in accordance with Chapter 556, Florida Statutes. It shall be the responsibility of the Contractor to have all underground utilities located before any work shall begin. This can be done by contacting Sunshine State One Call. They may be reached by calling 1-800-432-4770. The repairs of any damaged underground utilities as a result of the work being performed by the Contractor shall be the responsibility of the Contractor. The proper utility company shall be contacted immediately to expedite the repairs, if damage has occurred. The County’s Project Manager shall also be notified by telephone at the earliest opportunity and shall be followed up with a written explanation of the incident within two (2) days.

25. CLEAN UP/SURPLUS MATERIAL REMOVAL:

The Contractor shall be responsible for the removal of all surplus material and debris within their work zone at the end of each workday, and disposed of in an appropriate manner. All costs associated with clean-up and debris removal shall be included in the

Contractor's bid. The Contractor must have ample cleaning supplies and a working vacuum cleaner on-site for clean-up. At no time shall the Contractor use County cleaning supplies or equipment. Upon final completion, the Contractor shall thoroughly clean up all areas where work has been involved as mutually agreed with the County's Project Manager. The Contractor shall have all necessary tools, equipment, and supplies to adequately clean the work area and any area(s) that may have been affected by the work. If such deficiencies are not corrected as part of this process, the County shall remove the remaining debris and surplus materials and deduct the associated costs from the amount due the Contractor.

26. PROTECTION OF EXISTING STRUCTURES, UTILITIES, WORK AND VEGETATION

- i. The Contractor shall preserve and protect all existing vegetation such as trees, shrubs and grass on or adjacent to the site which do not unreasonably interfere with the project as may be determined by the County's Project Manager. The Contractor shall be responsible for all unauthorized cutting or damaging of trees and shrubs, including damage due to careless operation of equipment, stockpiling of materials or tracking of grass areas by equipment.
- ii. The Contractor shall fully protect the work from loss or damage and shall bear the cost of any such loss or damage until final payment has been made.
- iii. All items damaged as a result of Contractor or subcontractor operations, such as but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mail boxes, turf, County sign, or other property owned by the County or private landowner, shall be either repaired or replaced by the Contractor, at their expense, in a manner prescribed by and at the sole satisfaction of the County's Project Manager.
- iv. If in the course of completing work as part of this contract there is an accident that involves the public, the Contractor shall as soon as possible inform the County's Project Manager of the incident by telephone. The Contractor shall follow up in writing within two (2) business days of the incident. If Law Enforcement was involved and has written a report, the Contractor shall forward a copy of the report to the County's Project Manager.
- v. The Contractor shall be responsible for re-grading and re-sodding any areas that are disturbed by the Contractor during the course of the work being completed.

27. SANITATION

The Contractor shall provide and maintain adequate sanitary conveniences for the use of persons employed for this project. These conveniences shall be maintained at all times without nuisance, and their use shall be strictly enforced. The location of these conveniences shall be subject to the County's Project Manager's approval.

28. INSPECTION AND RESPONSE

- i. The Contractor shall maintain all work in as-new condition until the final inspection is completed and the work accepted by the County's Project Manager.
- ii. Inspections during the project or after the project has been completed will be conducted by the County's Project Manager. The final inspection will be conducted within five (5) business days of receipt of notification. The County's Project Manager will notify the Contractor if necessary of any deficiencies with the project. The Contractor shall correct all deficiencies before final acceptance and payment is made.
- iii. The Contractor shall notify the County's Project Manager when the deficiencies have been completed and corrected. If the deficiencies are not corrected when inspected, the Contractor shall be notified again in writing about any deficiencies. Once the repairs have been corrected by the Contractor, the County's Project Manager shall make another inspection.
- iv. The following is a list of fees that can be assessed to the Contractor during the term of the contract. These fees are assessed to help offset the additional costs associated with County labor and vehicle usage required for unnecessary inspections or missed meetings. The fee(s) shall be deducted from the final invoice are:
 - a. Missing scheduled appointments \$ 70.00 each appointment
 - b. Failure to respond to emergency calls \$250.00 per day
 - c. If applicable to this contract, late to emergency calls \$ 36.00 per hour
 - d. Inspected unacceptable workmanship \$ 55.00 each inspection
 - e. All Re-inspection Fees Assessed by the inspecting authority for inspection failures
 - f. Failure to provide any and all required documentation or reports \$ 75.00 per day
 - g. Failure to pass all inspecting authority re-inspections \$250.00 per day
(within 30 days of initial inspection)

29. FINAL ACCEPTANCE

The County reserves the right, should an error be discovered in the partial or final estimates, or should proof of defective work or materials used by or on the part of the Contractor be discovered after the final payment has been made, to claim and recover from the Contractor or its surety, or both, by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the County's Project Manager.

30. METHOD OF PAYMENT

- i. The Contractor shall submit their invoice to the **Facilities and Fleet Management Department, 32400 C.R. 473 Leesburg, FL 34788**, after all work has been completed. Invoices shall be hand delivered or mailed. Faxes &/or emails will not be accepted for invoicing. In addition to the general invoice requirements set forth below, the invoice shall

reference the specific work element for which billing has been initiated and, if required, include a copy of the acceptance document that was signed by an authorized representative of the County at the time the specific work element was accepted. Submittal of the invoice shall not exceed thirty (30) calendar days from the delivery of the goods or services. Under no circumstances shall the invoices be submitted to the County in advance of the work being completed or delivery and acceptance of the items.

- ii. All invoices shall contain the contract and/or purchase order number, date and location of delivery or service. The Contractor shall also submit with their invoice a completed "Certification of Payment to Subcontractors and Suppliers" form. Failure to submit invoices and certification form in the prescribed manner will delay payment, and the Contractor may be considered in default of contract. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.
- iii. If applicable to this contract, all work completed under the terms of this contract shall be paid as a unit price payment at the cost as established in the Pricing/Certifications/Signatures, Pricing Section and as discussed in Scope of Work.
- iv. Projects twenty five thousand dollars (\$25,000) and under: The County shall provide a lump sum payment when all project tasks are completed by the Contractor and approved by the County's Project Manager. In order for the County to provide payment, the vendor shall submit a fully documented invoice that provides the basic information set forth below.
- v. Projects greater than twenty five thousand dollars (\$25,000): The Contractor may receive periodic payments on a thirty (30) day interval for project tasks completed during that period by the Contractor and approved by the County's Project Manager. Retention of funds shall be held in accordance with Florida Prompt Payment Act. In order for the County to provide payment, the vendor shall submit a fully documented invoice that provides the basic information set forth below.
- vi. The Contractor shall accept compensation provided under the terms of this contract as full payment for furnishing all materials and for performing all work contemplated and embraced under this contract.

31. WARRANTY

- i. The Contractor shall obtain and assign to the County all express warranties given to the Contractor or any subcontractors by any material suppliers, equipment or fixtures to be incorporated into the Project. The Contractor shall be responsible for registering all required materials with the manufacturer and shall provide documentation verifying that registration has been completed. The Contractor warrants to the County that any materials and equipment furnished under the Contract Documents shall be new unless otherwise

specified, and that all work shall be of good quality, free from all defects and in conformance with the Contract Documents. The Contractor further warrants to the County that all materials and equipment furnished under the Contract Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Contract Documents. Unless otherwise specified in the solicitation or the plans, if within twelve (1) months after final completion and acceptance, any work is found to be defective or not in conformance with the Contract Documents, the Contractor shall correct it promptly after receipt of written notice from the County. The Contractor shall also be responsible for and pay for replacement or repair of adjacent materials or work which may be damaged as a result of such replacement or repair. These warranties are in addition to those implied warranties to which the County is entitled as a matter of law.

- ii. If sod is used as part of this project it shall be warranted to be free of noxious and invasive weeds, disease, and insects. If pests and/or noxious weeds manifest themselves within sixty (60) days of placement of the sod, the Contractor shall treat the affected areas. The process for treating these areas shall be approved by the County's Project Manager. If the sod does not meet any of the specifications within this document, the Contractor shall be responsible to replace it at no expense to the County. It shall be the responsibility of the Contractor to insure that the sod is sufficiently established as previously described within these specifications. If the sod dies or does not become established the Contractor shall be responsible for the replacement at no cost to the County.
