

Where Do I Take My Household Hazardous Waste?

Lake County operates six Household Hazardous Waste Collection Centers (HHWCC) for the safe disposal of household hazardous waste. Household hazardous waste brought to these collection centers are either recycled or sent to a permitted hazardous waste management facility for treatment and incineration.

COLLECTION CENTERS & OPERATION HOURS

Central Facility - Lake County Landfill

13130 County Landfill Road, Tavares,

Monday through Saturday, 7:30am - 5:00pm

Lady Lake

1200 Jackson St., Lady Lake

Tuesday & Saturday, 7:30am - 5:00pm

Astor

54721 Astor Transfer Station Road, Astor

Tuesday & Saturday, 7:30am - 5:00pm

Paisley

25014 Rancho Lane, Paisley

Wednesday & Saturday, 7:30am - 5:00pm

Clermont (Loghouse)

10435 Log House Road, Clermont

Wednesday & Saturday, 7:30am - 5:00pm

Pine Lakes

32520 W. State Road 44, Deland

Thursday & Saturday, 7:30am - 5:00pm

What happens to the waste brought into the Household Hazardous Waste Collection Centers?

Flammable liquids - including gas, mineral spirits, diesel fuel, and kerosene are collected and bulked.

A fully licensed management company transports and reuses these waste streams as an alternative fuel in the manufacturing of light-weight concrete aggregate.

Use our ReUse Paint Program

Latex paint is available free of charge to Lake County residents for housing beautification.

You Can Help.....

Floridian's now have a new tool for protecting the state's natural resources.

To report an environmental crime (such as illegal dumping of hazardous materials, construction debris, oil drums and biological waste) please contact one of the following:

Environmental Crimes Hotline: 1-877-272-8335

Wireless customers can dial: #DEP

What About Small Businesses?

WEDNESDAYS ONLY

The Solid Waste Program Division can provide small businesses in Lake County with a cost effective method to properly dispose of small quantities of hazardous wastes.

For more information, please contact the Household Hazardous Waste Collection program at (352) 343-3776 ext. 1684, 1685.

Your Lake County guide to.... HOUSEHOLD HAZARDOUS WASTE

How can I reduce my use of Hazardous Materials?

- Educate yourself, learn about the products you use (read labels).
- Choose safer alternatives or less toxic products. Look for signal words such as CAUTION, WARNING and DANGER.
- Choose products labeled CAUTION OR WARNING rather than DANGER.
- Buy only what you need (give away excess to a neighbor or friend).

Household Hazardous Waste Collection Center
Lake County, Florida

For additional information please call the Household Hazardous Waste Program at (352) 343-3776 ext. 1684 or 1685
