

*F*RESH FRUITS AND VEGETABLES ARE RIPE FOR THE PICKING IN LAKE COUNTY

Known for its lush groves of juicy citrus, Lake County is home to more than a dozen farming operations that allow visitors the opportunity to hand pick their own fresh, locally grown fruits and vegetables.

Other than the sweet navels and tangy tangelos, the “u-pick” farms in the area also tout a delectable variety of berries and grapes. For the more adventurous type, several farms in Lake County cultivate exotic fruits such as Muscadine grapes, figs and persimmons.

While citrus has long been a signature fruit of Lake County, other locally grown vegetables sport a neighborhood name. Sample the Sorrento Sweet Onions in East Lake County or Zellwood Sweet Corn, grown at large farms south of Mount Dora.

Just remember whatever fresh fruit or vegetable you seek, there is an ideal season for each. Please consult each “u-pick” farm before setting out for excursion. So whether the family is hunting for that perfect Christmas tree or a basket brimming of fresh strawberries, Lake County farms have it all.
