

Department of Growth Management
Building Division

Commercial Sign Off for Final Certificate of Occupancy

When constructing a commercial building in Lake County, there are other departmental approvals that need to be obtained prior to the issuance of a Certificate of Occupancy.

- **Public Works** – schedule over the automated system at (352) 343-9634. For further information contact Dominic Zawilski at (352) 483-9022 (North Lake County) or Ron Rudolph (352) 483-9021 (South Lake County).
- **Landscaping** – schedule over the automated system at (352) 343-9634. For further information contact Jim Wills at (352) 343-9639 ext. 5682.
- **Fire**- schedule over the automated system at (352) 343-9634. For further information, contact Al Sikes at (352) 343-9653.
- **Environmental Health** – schedule with the Environmental Health Department at (352) 253-6130.

All departments must result their inspection or notify the Building Division via email if not required.

For further questions regarding a Certificate of Occupancy please contact the Lake County Building Division at 352-343-9653.
