

MUNICIPAL CODE

Lake County, Florida has contracted with Municipal Code Corporation of Tallahassee, Florida to publish and sell their Code of Ordinances and Land Development Regulations Reprint Pamphlet. These Volumes will be supplemented periodically by incorporating all new laws and ordinances into the volumes on a page-for-page substitution basis. The Codes and future Supplements to these volumes, can be purchased directly from Municipal Code.

The Electronic version of the Code is integrated with **Folio BoundVIEWS**. **Folio** offers a powerful research tool for the Code. Every word in the Code is electronically indexed. Type in a word, a phrase or a query and the program will find every instance of the word, words or phrase in the Code. **Folio BoundVIEWS** is available for Windows 4.2 or higher.

The Ordinances of Lake County are becoming more complex every day. Frequent changes are necessary to meet the growing demands of the County. We recommend you purchase the Code of Ordinances and keep it up-to-date with loose-leaf Supplements.
