This course is intended to train all personnel who may be assigned to large incidents in the critical aspects of major incident management and area command. Topics include unified command, major incident management, area command and multi-agency coordination. *This is an "Elective" course for the FEMA Advanced Professional Series (APS) program.*

You must provide documentation of successful completion of the following Incident Command System Courses:

- Introduction to ICS (IS-100)
 - Basic ICS (IS-200)
 - Introduction to NIMS (IS-700)
 - Intermediate ICS (G-300)
- To apply follow the link:
<http://www.floridadisaster.org/TrainingCalendar/moreinfo.asp?id=1051>
 - Questions can be directed to Mike Hilliard at 352/383-4554 or
mhilliard@lakesumterems.org

**After applying, please fax your pre-requisite
IS-100, -200, -700, and G-300 certificates to
352/343-9728, attention Tommy Carpenter.**
