---

This is a locally developed course for personnel who have already attended the Intermediate ICS (ICS-300) program. The purpose of this program is intended to be a refresher for the Intermediate ICS program and can be a great review before attending the Advanced ICS (ICS-400) program. Topics include organizing for events and incidents, planning for events and incidents and incident resource management. Participants will use ICS forms.

To provide the most benefit, you should have completed the following courses:

- [An Introduction to the Incident Command System \(IS-100\)](#)
- [Basic Incident Command System \(IS-200\)](#)
- [An Introduction to the National Incident Management System \(NIMS\) \(IS-700\)](#)
- [Intermediate ICS \(ICS-300\)](#)

**To register, complete the bottom portion and fax this entire form to the attention of Tommy Carpenter at 352-343-9728.**
