cs series

What to expect from your dental plan:

Think about this: Your dentist tells you that you need a complicated dental procedure best performed by a specialist. Would you have the resources to keep that appointment?

CompBenefits' CS Series dental plan makes that decision a lot easier. The CS Series provides you the opportunity to visit any of the General Dentists in our network as well as the alternative of seeing a network Specialist Dentist to complete these intricate procedures.

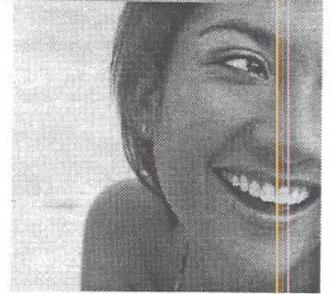

Your CompBenefits' CS Series dental plan also provides you with routine cleanings and x-rays every six months, topical fluoride for children up to 16 and local anesthesia, among others.

With our exhaustive schedule of benefits, you will know up front how much your co-payment will be, and for procedures that may not be listed on the CS Series schedule, you'll receive a 25 percent discount off a network dentist's usual fees.

Additionally, CompBenefits' CS Series gives you freedom from deductibles, claim forms, waiting periods, or benefit maximums.

frequently asked questions

Q. *What are CS Series DHMO plans?*

A. CompBenefits' CS Series DHMO plans are network-based products that emphasize prevention and cost containment. In order to receive services, you select a primary dentist who participates in the CompBenefits DHMO network. The plan provides for quality care and allows members to seek care from in-network specialty dentist at fixed co-payments. These plans provide savings ranging from 20 percent to 60 percent off regular dental procedures. The plans do not cover services (except emergency care) received from out-of-network dentists.

Q. *How does the plan work?*

A. Your primary dentist will provide all of your routine dental care. When you visit your primary care dentist, simply present your CompBenefits identification card. You may be required to pay a co-payment for some services provided by your primary care dentist. If the dental services provided are not listed as covered procedures under the plan, primary care dentists will give you a 25 percent discount off their usual fees. Should you require the services of a specialty dentist, you can choose any in-network specialty dentist under the CompBenefits DHMO plan. All in-network specialists will provide services at the co-payment listed on your schedule of benefits. The co-payments are billed by the participating dentist at the time of service, so there are no claims forms to file. You pay your dentist directly, if applicable.

Q. *How many times a year can I visit my dentist?*

A. You are encouraged to visit your dentist regularly. With your CompBenefits' CS Series Plan, you are not limited to a specific number of visits per year.

Q. *How do I make appointments?*

A. Making an appointment is easy. Once you have selected your participating dentist, simply call the dental office on or after the date you receive your certificate of coverage and make your appointment. Your enrollment information will already be at or on its way to your participating dentist's office, confirming that you are eligible for treatment.

Q. *What if I need a specialty dentist?*

A. When you need treatment from a specialty dentist you can visit one of the participating specialty dentists from our network, and you will only be responsible for the co-payment listed on your schedule of benefits.

Q. *Is there any maximum coverage limitation?*

A. No, there are no maximum coverage limitations.

Q. *How do I pay for services?*

A. You make your co-payments to the dentist at time of service.

Q. *What if I go to a non-participating dentist?*

A. You will not be eligible for benefits from a non-participating dentist. You must seek treatment from the participating dentist you selected.

Q. *Can I change participating dentists?*

A. Yes. You can easily change dentists by contacting our Member Services department at 800-342-5209. You can also change your dentist by logging onto www.mycompbenefits.com.

Q. *Can I go online to find out more about my plan or get assistance?*

A. Yes. You can visit www.mycompbenefits.com to learn about your plan, to check your benefits, to use our Provider Locator, to change your dentist selection, to send us an e-mail and more.

Q. *How do I order an ID card?*

A. You can download and print a temporary ID card or order a new ID card at www.mycompbenefits.com, or you can call our Member Services department at 800-342-5209.

frequently asked questions

Q. *How does an Elite Preferred dental plan work?*

A. Under our PPO plans, you do not have to pre-select a primary dentist. When you want dental services, make your appointment with any licensed dentist. When you receive treatment from a CompBenefits PPO dentist, your costs will be reduced. Once services are performed, you or your dentist must file a claim form in order to receive reimbursement. Your claim will be paid based on your group's schedule of benefits. The plan will pay a percentage of the eligible charges, up to the plan's annual limit for benefits.

Q. *How do I select an in-network dentist?*

A. You may choose a participating PPO general dentist from our preferred provider directory available online at www.mycompbenefits.com. Participating general dentists in our network are conveniently located near your home or office. CompBenefits reviews each participating dentist's credentials before he or she is selected to join our network. By using an in-network dentist, you will receive the maximum benefit of your plan.

Q. *How do I select an out-of-network dentist?*

A. By choosing a general dentist not included in the preferred provider list at www.mycompbenefits.com, you have selected an out-of-network provider. You will be charged the dentist's usual fees for treatment. When you use an out-of-network dentist, your out-of-pocket costs will be typically greater than using an in-network dentist.

Q. *When is predetermination required?*

A. If planned treatment is going to cost more than \$200, you should ask your dentist to file for predetermination of benefits prior to treatment. Predetermination is not necessary for emergency treatment.

Q. *How does my bill get paid?*

A. Each dentist bills separately. Your dentist may agree to file your insurance claim for you. If he or she does not, however, you may be required to pay the entire bill at time of service and will need to submit a claim to CompBenefits for your reimbursement. Your reimbursement will be based on whether you have met any applicable deductible or coinsurance amounts or not. All financial arrangements concerning payment are strictly between you and your dentist and should be determined prior to treatment.

Q. *Where do I send my claims?*

A. You can get a claim form from your Group Benefits Administrator, from CompBenefits' Member Services department or from our Web site, www.mycompbenefits.com. Mail your claim to:
CompBenefits Claims
P.O. Box 8236
Chicago, Illinois 60680-8236

Q. *Can I go online to find out more about my plan or get assistance?*

A. Yes. After you enroll, you can visit www.mycompbenefits.com to learn about your plan, to check your benefits, to use our Provider Locator, to change your dentist selection, to send us an e-mail and more.

The network plan that offers maximum coverage with the cost advantages on a traditional indemnity plan.

- **FREEDOM TO CHOOSE ANY DENTIST**
Participants are free to select from a panel of participating dentists or seek care from any non-participating dentist.
- **VALUABLE SAVINGS FROM NETWORK DENTISTS**
Network dentists offer savings by agreeing to charge you based on negotiated maximum allowable contracted fee schedule. If you go to a non-participating dentist, the charged amount may be above that charged by a Participating Dentist.
- **NO BALANCE BILLING**
A participating dentist has agreed not to charge you any amount for services above the negotiated maximum allowable fee amount. When utilizing a non-participating dentist, you will be responsible for any extra amount charged by the dentist over the CompBenefits negotiated maximum and the customary charge of the dentist.
- **EXTENSIVE NETWORK OF PARTICIPATING DENTISTS**
Refer to your Provider Directory for a listing of participating dentists that offer services on a guaranteed-negotiated fee schedule.
- **ACCESS TO INFORMATION**
Our toll-free customer service number at 1-(800)-342-5209 has Member Services Representatives who can provide the answers you need quickly and thoroughly.

visioncare plan

What to expect from your vision plan:

Your eyesight is nothing to take for granted. It's how we see a loved one's face clearly or a beautiful sunset.

But your sight can begin to deteriorate over a long period of time without your knowing there is a problem.

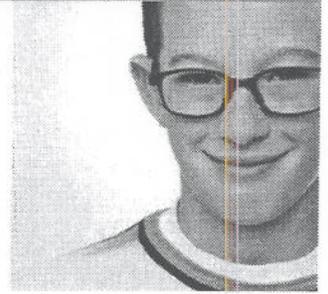

As with any other important asset – like your home or car – wouldn't you feel more at ease if you knew your routine eye care was covered by a company with decades experience helping people like you? With CompBenefits' VisionCare Plan, you can take advantage of coverage you need for eye examinations and eyeglasses or contacts.

You can also choose to take advantage of VisionCare Plan's deep discount for LASIK surgery.

And you won't have to hunt hard to find a doctor close to your home or work. The VisionCare Plan network includes some 14,000 ophthalmologist and optometrist locations – one third of all private practitioners in the country. Yet, it doesn't mean you can't see an out-of-network doctor because VisionCare Plan offers benefits in-network or out-of-network. It's your choice.

frequently asked questions

Q. *What are CompBenefits' VisionCare Plans?*

- A.** CompBenefits' VisionCare Plans are network-based vision plans that emphasize high quality routine eye health care from independent eye care professionals. Services and materials are provided on a pre-paid basis, and the plans pay network doctors directly. VisionCare Plan members can also use non-network doctors if they wish.

Q. *How does VisionCare Plan work?*

- A.** Members simply select any in-network optometrist or ophthalmologist and make their appointments. At the time of the appointment, members pay only their co-payments and for any extra cosmetic options selected. There are no forms to complete or claims to file.

Members can also choose an out-of-network provider. In this case, they pay their doctor at the time of the visit and submit receipts to CompBenefits for reimbursement. Benefits are paid according to a reimbursement schedule.

Q. *Are there any limitations to my vision benefit?*

- A.** Yes, there are a few. Oversized lenses, when prescribed, may be covered only when patient's face size indicates they are necessary. Blended and progressive lenses are not normally required for visual welfare and are generally excluded. Elective or cosmetic items such as photochromic lenses, fashion color-coated lenses and sun lenses are not normally covered.

Q. *Does VisionCare Plan exclude anything?*

- A.** Yes, some items and services are excluded.
- Orthoptics or vision training, subnormal vision aids or plano (non-prescription) lenses
 - Replacement of lost or broken lenses, except at the regularly-scheduled plan intervals
 - Medical or surgical treatment of the eyes
 - Care provided through or required by any government agency or program, including Workers' Compensation or similar law

Q. *What do I need to access my benefits?*

- A.** It's simple. Just take your VisionCare Plan ID card to your eye doctor, and he or she will file your claim for you.

Q. *Can I go online to find out more about my plan or get assistance?*

- A.** Yes. You can visit www.mycompbenefits.com to learn about your plan, to check your benefits, to use our Provider Locator, to send us an e-mail and more.

Lake County Board of County Commissioners

Open your eyes to high-quality vision care! The average family spends close to **\$600 each year** on routine eye health care. Using CompBenefits' VisionCare Plan, you will receive your routine eye health care with just a small copayment.

CompBenefits' VisionCare Plan provides benefits for covered:

- > Eye health examinations
- > Frames
- > Eyeglass Lenses
- > Contact Lenses

Plus you will receive:

- > LASIK surgery discount
- > Preferred member pricing for other frame and lens options*

When ordering from one of our network eye doctors, you will also receive in the year of your eye exam:

- > A **20% discount** on a second pair of eyeglasses
- > A **15% discount** on your contact lens fitting fee

MONTHLY RATES

Employee only: \$ 6.50
Employee + Family: \$18.60

SERVICE FREQUENCY

Vision exam: Once every 12 months
Lenses: Once every 12 months
Frame: Once every 24 months

COPAYMENTS

Exam: \$10
Materials: \$15

SAVINGS! SEE THE DIFFERENCE

You can save money two ways with VisionCare. First, the cost of plan services and materials is discounted and prepaid. So **except for any co-payments**, you have **no out-of-pocket expenses** for covered services and supplies when you use one of our network doctors. Second, your coverage costs are deducted from your pay *before* any federal income or FICA taxes are taken out. This makes your taxable wage base lower, so you would pay less tax.

Here's an **example** of how the plan helps you save over the course of a year:

If You Get:	You Pay:	
	VisionCare Doctor	Typical Retail
Eye exam	.00	\$ 85.00
Frame (designer style)	.00	120.00
Lenses: Bifocal	.00	100.00
Option (pink tint #1 or #2)	.00	15.00
Co-payments:		
\$10 exam/\$15 materials	\$ 25.00	.00
Premium (\$6.50 monthly x 12)	+78.00	.00
	103.00	\$ 320.00
Pre-tax savings (assuming 15% tax bracket & 7.65% FICA)	- 17.67	+ .00
Total Cost	\$85.33	\$ 320.00

YOUR TOTAL SAVINGS THROUGH VISIONCARE: 73% OFF RETAIL

In this example, you would have saved **\$234.67** in vision care costs with VisionCare Plan. Keep in mind, however, that your actual savings will depend on your plan allowances, your actual premium, the doctors and materials you select, and your own tax situation.

* This is not a schedule of maximum benefits. For example, the plan covers frames based on the manufacturer's *wholesale* price guide. So while the retail price of a covered frame may vary among plan doctors, the *value* of your covered frame stays the same. Typically, the wholesale frame allowance is equivalent to a retail price of \$80-150. You may be required to pay extra only if you choose a frame that exceeds the covered wholesale price.

HOW DOES VISIONCARE PLAN WORK?

Members simply select any **in-network** optometrist or ophthalmologist and schedule an appointment. You can locate a provider in your area by accessing the current directory online at www.mycompbenefits.com.

The Plan is simple to use. Select a doctor from our provider directory and call for an appointment. At the time of your appointment, present your ID Card to the participating provider. Members will pay only their co-payments and for any extra cosmetic options selected. There are no additional forms to complete or claims to file.

Members can also choose an out-of-network provider. In this case, you will pay the doctor at the time of the visit and submit receipts to CompBenefits for reimbursement.

CAN I GET CONTACTS INSTEAD OF LENSES?

Yes. If you prefer contact lenses, the plan provides an allowance of **\$105.00** in place of all other benefits.

HOW DO I GET FURTHER QUESTIONS ANSWERED?

You may contact CompBenefits Member Services Department with any questions or concerns at: 1-800-865-3676, Monday – Thursday 8am-8pm; and Friday 8am-6pm EST. or locate us on the web at www.mycompbenefits.com.

VISION PROVIDERS LAKE AND ORANGE COUNTIES

The providers listed in this brochure were participating with the plan at the time of printing. Please check with the doctor of your choice or call our Member Services department at 1-800-749-5855 when making your appointment to make certain he or she is currently a member doctor. You may also visit our website at www.combenefits.com for a nationwide listing of providers.

You must receive services from one of our participating providers in order to receive full benefits (as outlined in your vision care booklet). If you receive service from a provider who does not participate in the plan, you will receive reimbursement according to the non-panel reimbursement schedule established by your group.
