ADDENDUM NO. 3

Date: May 19, 2009

BID No. 09-0419

SHERIFF'S MARINE PATROL FLOATING DOCK

This addendum is being issued to make the following changes, corrections, clarifications and additions to the bidding document. The information in this addendum modifies and changes the original bidding documents and takes precedence over the original documents. **Respondents shall acknowledge receipt of this addendum by completing this form and returning it with the response. Failure to acknowledge this addendum may preclude consideration of the bid proposal award.**

Clarification: Insurance Requirement

The insurance requirements are addressed in the ITB 09-0419, Section 1.8, states:
"Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, **and/or any other applicable law requiring workers' compensation (Federal, maritime, etc).** If not required by law to maintain workers compensation insurance, the vendor must provide a notarized statement that if he or she is injured, he or she will not hold the County responsible for any payment or compensation."

The US&L insurance requirements are to meet workers compensation for federal maritime employment in navigable waters of the United States. The St. Johns River is considered as navigable waters of the United States and the US&L, therefore insurance requirements would apply.
