**Section 1.1: Purpose**

The purpose of this solicitation is to award a contract providing for all labor, materials, equipment for, or reasonably incidental to, the installation of a complete and fully operative Floating Dock system at an existing boat ramp facility located at 12703 Florida Avenue, Astatula, Florida. Vendors are advised that this procurement action will be formalized via a short-form construction contract tailored to the specific project requirements.

**Note:** *This is a re-solicitation effort reflecting a reduction in scope from the previous solicitation for work at the site. The revised work effort to be performed is stated in Scope of Work paragraph 1.01 contained in Section 2 of this Invitation to Bid. Work elements shown on the attached drawings but not specifically stated in Scope of Work paragraph 1.01 (such as the restroom and parking lot paving requirements) are not within the scope of work to be priced and performed under this Invitation to Bid.*

**Section 1.2: Designated Procurement Representative**

Questions concerning any portion of this solicitation shall be directed in writing [fax and e-mail accepted] to the below named individual who shall be the official point of contact for this solicitation. To ensure reply, questions should be submitted no later than five (5) working days before the bid due date.

No answers given in response to questions submitted shall be binding upon this solicitation unless released in writing as an addendum to the solicitation by the Office of Procurement Services

**Section 1.3: Method of Award - To a Single Vendor**

Award of this contract will be made to the lowest priced, responsive, responsible vendor which submits an offer in response to this solicitation. To be considered responsible, a vendor must have successfully completed work similar to that required under this solicitation for a public sector entity within the past three years.

**Section 1.4: Examination of Site (Mandatory)**

Prior to submitting its offer, the vendor is required to visit the site of the proposed work and to become familiar with any conditions which may in any manner affect the work to be done or

affect the equipment, materials and labor required. The vendor is also required to examine carefully the drawings and specifications and be thoroughly aware regarding any and all conditions and requirements that may in any manner affect the work to be performed under the contract. No additional allowances will be made because of lack of knowledge of these conditions. **Completion of the site visit certification in the pricing section of this Invitation to Bid will serve as confirmation that the bidder has inspected the site and shall present no claim arising from site conditions. Failure to provide a completed certification with the initial bid response may serve as cause for a vendor’s bid to be rejected as non-responsive.**

**Section 1.5: Term of Contract - Upon Acceptance of Goods or Completion of Services**

The performance period under this contract shall commence upon the date of the purchase order or related Notice To Proceed and shall remain in effect until such time as the commodities, equipment and/or services acquired in conjunction with this solicitation and resulting contract have been delivered and/or completed, and accepted by the County's authorized representative, and will then remain in effect until completion of the expressed and/or implied warranty periods.

**Section 1.6: Option to Renew**

Not applicable to this solicitation

**Section 1.7: Method of Payment – Periodic Payment Based on Specific Milestone**

The County envisions receipt and payment for two invoices under the project. The first invoice shall be for the entirety of the dock materials specified in paragraph 1.01.A of the scope of work. This initial invoice may be transmitted to the County upon delivery and installation of the entirety of these materials to the project work site. This invoice shall be for the amount billed to the project vendor by the manufacturer of the dock materials. The second invoice shall be submitted after completion of the entirety of all project effort, and shall be for the balance of the contract price. Each of these two invoices shall be submitted to the County user department(s) responsible for the project.

All invoices shall contain the contract and/or purchase order number, date and location of delivery or service, detailed description of the goods or services to be provided, and confirmation of acceptance of the goods or services by the appropriate County representative. Failure to submit invoices in the prescribed manner will delay payment, and the vendor may be considered in default of contract and its contract may be terminated. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

**Section 1.8: Insurance**

Each vendor shall include in its solicitation response package proof of insurance capabilities, including but not limited to, the following requirements: [This does not mean that the vendor must have the coverage prior to submittal, but, that the coverage must be in effect prior to a purchase order or contract being executed by the County.]
