ITB Title: Bermuda and Bahia Sports Turfgrass “Athletic Fields” Maintenance and Related Services Program

It is the vendor’s responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does **not** change the date for receipt of bids or proposals.

Question: It does not appear that the Bermuda areas outside the field of play on the Softball and Baseball fields have been over-seeded. Should I consider that they will be for this proposal, as well as fertilized?
