Section 1.3: Method of Award - To a Single Vendor in the Aggregate

Award of this contract will be made to the responsive, responsible vendor who submits an offer on all items listed in the solicitation and which represents the lowest price when all items are added in the aggregate. If a vendor fails to submit an offer on all items, its overall offer may be rejected. The County intends to award the total contract to a single vendor.

Section 1.4: Examination of Site (Mandatory)

There is no formal pre-bid conference associated with this solicitation. However, prior to submitting its offer, the vendor is required to visit the sites of the proposed work and to become familiar with any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. The vendor is also required to examine carefully the drawings and specifications and be thoroughly aware regarding any and all conditions and requirements that may in any manner affect the work to be performed under the contract. arising from site conditions. Failure to provide a completed certification with the initial bid response may serve as cause for a vendor’s bid to be rejected as non-responsive.

Section 1.5: Term of Contract – One Year

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Office of Procurement Services; and contingent upon the completion and submittal of all required pre-award documents. The vendor(s) shall submit invoices as directed in Section 2, Statement of Work. Under no circumstances shall invoices be submitted to the County in advance of the delivery and acceptance of the items.
