### TRANSPORTATION OPERATOR

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge this addendum will prevent the bid or proposal from being considered for award.

**This addendum DOES change the date for receipt of proposals. The opening time and location are unchanged.**

To provide for sufficient time to support providing a response to the various questions received, and for vendors to prepare their proposals accordingly, **the due date for receipt of proposals is hereby extended from April 17, 2013 to April 24, 2013.**

Addendum 3 will contain answers to all questions tendered by the date set for receipt of questions confirmed in addendum 1 as April 9, 2013.
