Award of this contract will be made to the lowest priced, responsive, responsible vendor which submits an offer in response to this solicitation. To be considered responsible, a vendor must have successfully completed work similar to that required under this solicitation for a public sector entity within the past three (3) years.

**Section 1.4: Examination of Site (Mandatory)**

Prior to submitting its offer, the vendor is required to visit the site of the proposed work and to become familiar with any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. The vendor is also required to examine carefully the drawings and specifications and be thoroughly aware regarding any and all conditions and requirements that may in any manner affect the work to be performed under the contract. ### **Section 1.5: Term of Contract - Upon Acceptance of Goods or Completion of Services**

The performance period under this contract shall commence upon the date of the purchase order or related Notice To Proceed and shall remain in effect until such time as the commodities, equipment and/or services acquired in conjunction with this solicitation and resulting contract have been delivered and/or completed, and accepted by the County's authorized representative, and will then remain in effect until completion of the expressed and/or implied warranty periods. See provision 1.10 for the specific performance period associated with this action.

The bidder shall provide fully documented invoices, which indicate, in addition to the basic information set forth below, the time and materials provided to the County user department(s) that requested the work through a purchase order. It shall be understood that such invoices shall not be authorized for payment until such time as a County representative has inspected and approved the completed phase of the work assignment.

All invoices shall contain the contract and/or purchase order number, date and location of delivery or service, and confirmation of acceptance of the goods or services by the appropriate County representative. Failure to submit invoices in the prescribed manner will delay payment, and the vendor may be considered in default of contract and its contract may be terminated. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

### **Section 1.8: Insurance**

Each vendor shall include in its solicitation response package proof of insurance capabilities, including but not limited to, the following requirements: [This does not mean that the vendor must have the coverage prior to submittal, but, that the coverage must be in effect prior to a purchase order or contract being executed by the County.]

An original certificate of insurance, indicating that the awarded vendor has coverage in accordance with the requirements of this section, shall be furnished by the vendor to the Contracting Officer within five (5) working days of such request and must be received and accepted by the County prior to contract execution and/or before any work begins.
