Questions Via E-Mail:

Q1: Will the bid be awarded based on the total value proposed and/or how will any "written in" items be evaluated? Example: Question 13 states the contractor is to write in that item. What if we find several other items to write in and other contractors don't see them? Or can the County revise the bid form and add these additional items?

A1: As stated in Item #10 on Page A-9 of the Bid Document:

10. Quantities

- A. Quantities, if shown on the Bid, are estimated for bidding purposes only and shall be verified by the Contractor.
- B. Payment for work performed under this contract shall be based on a lump sum bid. Bidder shall determine quantities.
- C. Regardless of uncertainties of material supply and production at the time of bidding, Contractors shall base their bids in strict accordance with items, materials and methods as set forth in the Contract Documents.
- D. Pay items may be added, or deleted, to the list of pay items by the Engineer or Contractor, that are required to complete the scope of the work as defined by the project plans and specifications.
