No additional allowances will be made because of lack of knowledge of these conditions.

Section 1.5: Term of Contract – Twenty-Four (24) Months

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Office of Procurement Services; and contingent upon the completion and submittal of all required pre-award documents. The initial contract term shall remain in effect for twenty-four (24) months, and then the contract will remain in effect until completion of the expressed and/or implied warranty period. The contract prices resulting from this solicitation shall prevail for the full duration of the initial contract term unless otherwise indicated elsewhere in this document.

Prior to completion of each contract quarter, the County will consider adjustment to price based on an applicable Manufacturers Price Increase evidenced by appropriate manufacturer documentation submitted to the County by the vendor in a timely manner. It is the vendor's responsibility to request any pricing adjustment in writing under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's written request for adjustment shall be submitted prior to expiration of the then current contract term. The vendor adjustment request must clearly substantiate the requested increase. If no written adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered.

Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

Section 1.6: Option to Renew for Three (3) Additional One (1) Year Period(s) (With Manufacturers Price Adjustment)

Prior to, or upon completion, of the initial term of the contract, the County shall have the option to renew this contract for three (3) additional one (1) year period(s). Prior to completion of each exercised contract quarter, the County will consider adjustment to price based on an applicable Manufacturers Price Increase evidenced by appropriate manufacturer documentation submitted to the County by the vendor in a timely manner.

It is the vendor's responsibility to request any pricing adjustment in writing under this provision.

For any adjustment to commence on the first day of any exercised option period, the vendor's written request for adjustment shall be submitted prior to expiration of the then current contract term. The vendor adjustment request must clearly substantiate the requested increase. If no written adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered.

Section 1.6.1: Price Redetermination - Fuel

If the below-identified price index for fuel (gas and/or diesel as applicable to the vendor's operation) increases by ten percent (10%) or more from the base index as defined below, the vendor may petition the Procurement Services Manager in writing for an appropriate increase in the contract price(s). Any increase in the contract price(s) will be applied considering the relation of fuel cost to the contractor's total cost for the contracted product or service.

Any price re-determination will be solely based upon the percentage change between the base index and the current month index as documented by the:

State of Florida Department of Management Services

http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/state_contracts_agreements_and_price_lists/state_term_contracts/bulk_fuel_gasoline_and_diesel for unleaded gas, Florida PAD 1, Orlando

The base index will be the index number for the month prior to the bid due date stated in the solicitation. The current month index will be the last month's index published before the request for a price re-determination is made.

The vendor shall provide (in writing) a cost analysis as described below for each contract price for which the vendor is requesting adjustment. This analysis must include the percentage increase calculation between the base and current month indices; a clear and detailed representation of the fuel cost component of any contract price for which an adjustment is requested; and a calculation showing the original contract price, the requested adjustment, and the proposed revised price. As an example: if the fuel index increases by twelve percent (12%) and the fuel cost accounts for ten percent (10%) of the cost of the product or service, then the contract price may be increased by 1.2 % ($0.12 * 0.10$). The vendor may submit additional clarifying or justifying information for the County's consideration. Failure to provide sufficient detail in the manner described above shall result in rejection of the vendor's request for pricing adjustment.

If the Procurement Services Manager grants any increase in any contract price based upon this clause, the increased price(s) may be adjusted downward on a unilateral basis by the County if the fuel index(es) used to support any previous increase then decrease by ten percent (10%) or more. Any such decrease will be based on the calculations submitted by the vendor pertaining to any previous price increase.

This clause may be used in addition to any other price redetermination clause in this

solicitation/contract.

**AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA AND**

**FOR
UNINTERRUPTABLE POWER SUPPLY REPAIR AND INSPECTION**

RFP #16-0420

This is an Agreement between Lake County, Florida, a political subdivision of the State of Florida, herein referred to as COUNTY, by and through its Board of County Commissioners, and _____, its successors and assigns, herein referred to as CONTRACTOR.

WITNESSETH:

WHEREAS, the COUNTY publicly submitted a Request for Proposal (RFP) #16-0420 seeking firms or individuals qualified to provide maintenance, inspection, repair and installation of uninterruptable power supply systems; and

WHEREAS, CONTRACTOR desires to perform such services subject to the terms of this Agreement; and

WHEREAS, the provision of such services will benefit the parties and the residents of Lake County, Florida.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, promises, covenants and payment hereinafter set forth, and intending to be legally bound, the parties hereby agree as follows:

Article 1. Recitals

The foregoing recitals are true and correct and incorporated herein.

Article 2. Purpose

The purpose of this Agreement is for CONTRACTOR to provide maintenance, inspection, repair, and new installation of Uninterrupted Power Supplies (UPS) systems for the COUNTY, hereinafter referred to as "Service."

Article 3. Scope of Professional Services

3.1 On the terms and conditions set forth in this Agreement, COUNTY hereby engages CONTRACTOR to provide all labor, materials and equipment to complete the maintenance, inspection, repair, and new installation of Uninterrupted Power Supplies (UPS) systems for the COUNTY in accordance with the Scope of Services, attached hereto and incorporated herein as **Attachment A**, as modified or clarified by Addendum _____ dated _____ attached hereto and incorporated herein by reference as **Attachment B**. It is understood that the Scope of Services may be modified by change order as the Service progresses, but to be effective and binding, any such change order must be in writing, executed by the parties, and in accordance with the COUNTY's Purchasing Policies and Procedures. A copy of these policies and procedures shall be made available to the CONTRACTOR upon request.

3.2 This Agreement shall be effective following on the first calendar day of the month succeeding approval of the Agreement by the COUNTY, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Office of Procurement Services; and contingent upon the completion and submittal of all required pre-award documents. The initial term shall remain in effect for twenty-four (24) months, and then the Agreement will remain in effect until completion of the expressed and/or implied warranty period.

Prior to, or upon completion, of the initial term of this Agreement, the COUNTY shall have the option to renew the contract for three (3) additional one (1) year period(s). Prior to completion of each exercised contract term, the County may consider adjustment to price based on an applicable Manufacturers Price Increase evidenced by appropriate manufacturer documentation submitted to the COUNTY by CONTRACTOR in a timely manner. It is CONTRACTOR's responsibility to request any pricing adjustment in writing under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's written request for adjustment shall be submitted prior to expiration of the then current contract term. The adjustment request must clearly substantiate the requested increase. If no adjustment request is received from the CONTRACTOR, COUNTY will assume that the CONTRACTOR has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered.

The COUNTY reserves the right to reject any written price adjustments submitted by the CONTRACTOR and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of this Agreement beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative may be exercised only when such continuation is clearly in the best interest of the County.

3.3 The CONTRACTOR shall be solely responsible for obtaining all necessary approvals and permits to complete the Service. The CONTRACTOR shall remain appropriately licensed throughout the course of the Project/Service. Failure to maintain all required licenses shall entitle the COUNTY, at its option, to terminate this Agreement.

3.4 Pursuant to this Agreement, CONTRACTOR agrees to provide the Services to the locations and UPS systems currently being by the County listed in **Attachment C**, attached hereto. It is hereby agreed and understood that any County may want to add additional locations and/or new UPS, which were not originally included in the solicitation. When required by the pricing structure of the Agreement, the CONTRACTOR shall be invited to submit price quotes for these additional facilities and services. The additional services shall be added to this Agreement by formal modification. The COUNTY may obtain price quotes for the additional locations and UPS from other vendors in the event that fair and reasonable pricing is not obtained from the CONTRACTOR or for other reasons at the County's discretion. Although the solicitation and this Agreement identify specific locations and UPS to be serviced, it is hereby agreed and understood that any County department or agency may delete service for any location when such service is no longer required, upon fourteen (14) calendar days written notice.

3.5 The CONTRACTOR acknowledges that it has sufficient understanding of the nature and location of the work; the general and local conditions, including but not limited to, those bearing upon disposal, handling and storage of materials; availability of labor, water, electric power; and uncertainties of weather or similar physical conditions at the site; the character of equipment and facilities needed preliminary to and during the completion of the Service. Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions shall not relieve the CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor shall it be considered a basis for any claim for additional time or compensation. The COUNTY assumes

no responsibility for any conclusions or interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this contract, unless such understanding or interpretations are made in writing and incorporated herein by reference.

3.6 CONTRACTOR acknowledges and agrees that CONTRACTOR shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of:

- A. All persons employed by the CONTRACTOR during the term of this Agreement to perform employment duties within Lake County; and

the County to provide payment, the Contractor shall submit a fully documented invoice that provides the basic information set forth below.

4.3 The COUNTY shall make payment on all undisputed invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The COUNTY shall not make payment on partial delivery of supplies, services, or materials.

4.4 In the event any part of this Agreement or the Service, is to be funded by federal, state, or other local agency monies, the CONTRACTOR hereby agrees to cooperate with the COUNTY in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or state granting agency, and receiving no payment until all required forms are completed and submitted. A copy of the requirements shall be supplied to the CONTRACTOR by the COUNTY upon request.

Article 5. County Responsibilities

5.1 COUNTY shall designate a County staff member to act as COUNTY'S Project Manager. It is agreed to by the parties that the COUNTY'S Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and as to the character, quality, amount and value of any work done, and materials furnished, under or by reason of this Agreement. D. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY shall give the CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR shall then have seven (7) calendar days from the date the notice is given to correct the defective condition. If the CONTRACTOR fails to correct the deficiency within the seven (7) calendar days after receipt of the notice, the COUNTY may take any action necessary, including correcting the deficient work utilizing another contractor, returning any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense or terminating the contract. The CONTRACTOR shall not assess any additional charge(s) for any conforming action taken by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract specifications.

E. Should the CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract requirements, within the time indicated in writing, the COUNTY shall have the authority to cause the unacceptable or defective materials or work to be corrected as necessary at the CONTRACTOR's expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making said repairs, removals, or renewals shall be paid for out of any monies due or which may become due to the CONTRACTOR. A change order shall be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs shall include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of the CONTRACTOR's defective work and additional compensation due the COUNTY. The CONTRACTOR shall not be allowed an extension of the contract time because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY's rights and remedies hereunder. If the CONTRACTOR fails to honor the change order, the COUNTY may terminate the contract for default.

F. All work performed and all materials furnished shall be in reasonably close conformity with the tolerances indicated in the specifications. In the event the COUNTY'S Service Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the COUNTY'S Service Manager will then make a determination if the work shall be accepted and remain in place. In this event, the COUNTY'S Service Manager will document the basis of acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the COUNTY'S Service Manager deems necessary to conform to the determination based on the COUNTY'S Service Manager's professional judgment.

6.11 Service Materials and Storage.

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, shall be new, unused, of recent manufacture, and suitable for its intended purpose. All goods shall be assembled, fully serviced and ready for operation when delivered. In the event any of the materials supplied by the CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to the CONTRACTOR at the CONTRACTOR's expense and the contract cancelled or (2) the COUNTY may require the CONTRACTOR to replace the materials at the CONTRACTOR's expense.

B. Materials shall be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, shall not be used in the work, and shall be removed from the site by the CONTRACTOR at the CONTRACTOR's expense. Until incorporated into the work, materials shall be the sole responsibility of the CONTRACTOR and the CONTRACTOR shall not be paid for such materials until incorporated into the work. If any chemicals, materials or products containing toxic substances are to be used at any time, the CONTRACTOR shall furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. All unusable materials and debris shall be removed from the premises at the end of each workday and disposed of in an appropriate manner.

6.12 Time for Completion and Extensions.

A. Purchase orders shall be issued for Services to the Contractor. Issuance of a purchase order is not a directive to begin work unless otherwise specified. A written notice to proceed is required for the Contractor to schedule or begin work. Email notice is acceptable.

B. The CONTRACTOR shall diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate the CONTRACTOR's work with the work of other contractors so that the CONTRACTOR's work or the work of others shall not be delayed or impaired. The CONTRACTOR shall be solely responsible for all means, methods, techniques, sequences and procedures, as well as coordination of all portions of the work under the contract documents.

C. Should the CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of the CONTRACTOR, and not due to the CONTRACTOR's fault or neglect, the CONTRACTOR shall notify the COUNTY in writing within twenty-four (24) hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which the CONTRACTOR may have had to request a time extension.

D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY shall ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY's sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY's investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR's construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

6.13 Changes in the Scope of Services.

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY's Purchasing Policy and Procedures, increase or decrease the scope of the services. For changes in services requested by CONTRACTOR, the CONTRACTOR shall prepare and submit change order requests for COUNTY approval. Each change order shall include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR shall execute the change order.

B. The value of such extra work or change shall be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change shall be computed from such values and added to or deducted from the contract price.

C. If the COUNTY and the CONTRACTOR are unable to agree on the change order for requested change, the CONTRACTOR shall, nevertheless, promptly perform the change as directed in writing by the COUNTY. If the CONTRACTOR disagrees with the COUNTY's adjustment determination, the CONTRACTOR must make a claim pursuant to the Claims and Disputes section herein, or else be deemed to have waived any claim on this matter the CONTRACTOR might have otherwise had.

D. For work not contemplated by the original Agreement, the amount of an increase shall be limited to the CONTRACTOR's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by the COUNTY. In such case, the CONTRACTOR shall keep and present to the COUNTY an itemized accounting together with

appropriate supporting data. In the event such changed work is performed by a subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the CONTRACTOR for all of its overhead and profit, for a total overall maximum markup of fifteen percent (15%) of the amount of changed work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above.

E. The COUNTY shall not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with COUNTY policy. The payment authorized by such a change order shall represent full and complete compensation to the CONTRACTOR for labor, materials, incidental expenses, overhead, profit, impact costs and time associated with the work authorized by such change order.

F. Execution by the CONTRACTOR of a properly authorized change order shall be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

G. Upon receipt of an approved change order, changes in the Scope of Services shall be promptly performed. All changes in work shall be performed under the terms and conditions of this Agreement.

6.14 Claims and Disputes.

A. Claims by the CONTRACTOR shall be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR shall be deemed to have waived the claim. All claims shall be priced in accordance with the section in this document entitled "Changes in Work".

B. The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C. Claims by the CONTRACTOR shall be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY shall within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY shall specify the grounds for denial. The CONTRACTOR shall then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator shall be mutually selected by the parties and each party shall pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D. Claims by the COUNTY against the CONTRACTOR shall be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data shall be submitted to the CONTRACTOR. All claims shall be priced in accordance with the provisions of the section in this document entitled "Changes in Work". The CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY shall have the option to submit the matter to mediation as set forth in (C) above.

E. Arbitration shall not be considered as a means of dispute resolution.

F. **NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME SHALL BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS.** No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work shall relieve the CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR shall receive no damages for delay. However, this provision shall not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Otherwise, CONTRACTOR shall be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

6.15 Acceptance of the Service and Final Payment. The services rendered under this Agreement shall not be deemed complete until a physical inspection and actual usage of the product(s) and/or service(s) is (are) accepted by the COUNTY and shall be in compliance with the terms herein, fully in accord with the specifications and of the highest quality. Any goods and/or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

A. Final Inspection. When all materials have been furnished and the service has been performed, the COUNTY shall make the final inspection. The final inspection shall be completed within five (5) business days of receipt of notification from the CONTRACTOR. The COUNTY shall notify the CONTRACTOR if necessary of any deficiencies with the Service, and the CONTRACTOR shall correct all deficiencies before final acceptance and payment is made.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance shall be maintained until final acceptance by the COUNTY.

C. Final Acceptance. When the Service or any portion thereof, as designated by the COUNTY, is ready for its intended use, the COUNTY and any other invited parties shall make an inspection of the Service, to verify its completeness before final payment will be made. The CONTRACTOR shall have ten (10) calendar days to correct all deficiencies. An eighty dollar (\$80.00) re-inspection fee shall be applied for the third inspection and any required re-inspection thereafter. The COUNTY shall have the right to exclude the CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list.

When the work provided for under this Agreement has been completely performed by the CONTRACTOR, and the final inspection has been made by the COUNTY, a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with Article 4 of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the contract and of all claims in connection therewith. Occupancy by the COUNTY alone does not constitute final acceptance.

D. Waiver of Claims. The CONTRACTOR's acceptance of final payment shall constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of the contract or otherwise related to the Service, except those previously made in writing and identified by the

CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY shall be deemed a waiver of the COUNTY's rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

E. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

F. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

6.16 Warranties. All warranties shall begin on the date of the COUNTY'S acceptance and shall last for a period of twelve (12) months unless otherwise specified in the scope of services, plans or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment or fixtures to be incorporated into the Service. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents shall be new unless otherwise specified, and that all work shall be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for the contract documents. This warranty requirement shall remain in force for the full period identified above, regardless of whether CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law.

The CONTRACTOR shall be responsible for promptly correcting any deficiency, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies the CONTRACTOR of such deficiency in writing. If the CONTRACTOR fails to honor the warranty and/or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify the CONTRACTOR in writing that the CONTRACTOR may be debarred as a COUNTY vendor, and/or become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five (5) calendar days of receipt of the notice. If the CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place the CONTRACTOR in default of its contract and/or (b) procure the products or services from another source and charge the CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

6.17 Liquidated Damages. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying CONTRACTOR of assessment of Liquidated Damages that can be applied for any day over the time allowed under this Agreement.

The COUNTY and the CONTRACTOR recognize that, since time is of the essence for this agreement, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the Service continues. The Service shall be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. The CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the COUNTY'S actual damages at the time of contracting if the CONTRACTOR fails to complete the work in a timely manner. The Liquidated Damages shall be as follows:

<u>Specific Service Amount</u>	<u>Daily Charge Per Calendar Day</u>
\$5,000 and under.....	\$ 25
Over \$5,000 but less than \$10,000.....	\$ 65
\$10,000 or more but less than \$20,000.....	\$ 91
\$20,000 or more but less than \$30,000.....	\$121
\$30,000 or more but less than \$40,000.....	\$166
\$40,000 or more but less than \$50,000.....	\$228
\$50,001 or more	\$250

COUNTY shall retain from the compensation to be paid to CONTRACTOR the above described sum. Any CONTRACTOR that is in default for not completing the work within the time specified, at the option of the COUNTY, may not be permitted to perform work for the COUNTY until the Service is complete and the liquidated damages sum is satisfied.

6.18 Submittals and Equal Products.

A. Submittals of products required for the Service assigned to the CONTRACTOR hereunder, shall be supplied to the COUNTY for pre-approval prior to the start of the work. These documents shall be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response shall be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished shall be clearly identified. A formal submittal for the alternate/shop drawings shall be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service shall be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR'S response. To ensure that sufficient information is available, the CONTRACTOR shall furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the

product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

6.20 Fees. The following is a list of fees that may be assessed to the CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with COUNTY labor and vehicle usage required for unnecessary inspections or missed appointments. The fees, if any, shall be deducted from the final invoices.

A. Failure to respond to emergency calls	\$250.00/day
B. Late to emergency calls	\$36.00/hour
C. Failure to provide documents or reports	\$75.00/day

Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, shall additionally be charged back to the CONTRACTOR.

Article 7. Special Terms and Conditions

7.1 Termination. This Agreement may be terminated by the COUNTY upon ten (10) calendar days advance written notice to the other party; but if any service or task hereunder is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until said work, service or task is completed and accepted.

A. Termination for Convenience. In the event this Agreement is terminated or cancelled upon the request and for the convenience of COUNTY with the required ten (10) calendar day advance written notice, COUNTY shall reimburse CONTRACTOR for actual work satisfactorily completed.

B. Termination for Cause. Termination by COUNTY for cause, default, or negligence on the part of CONTRACTOR shall be excluded from the foregoing provision. Termination costs, if any, shall not apply. C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this Agreement shall be canceled and the CONTRACTOR shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/Tasks delivered under this Agreement.

7.2 Assignment of Agreement. This Agreement shall not be assigned except with the written consent of the COUNTY'S Procurement Services Director. No such consent shall be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment shall under any circumstances relieve the CONTRACTOR of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONTRACTOR. Additionally, unless otherwise stipulated herein, the CONTRACTOR shall notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. Any acquisition or hostile takeover without the prior consent of the COUNTY may result in termination of this Agreement for default.

7.3 Insurance.

A. The CONTRACTOR shall purchase and maintain at all times during the term of this Agreement, without cost or expense to the COUNTY, policies of insurance as indicated below, with a

company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action whatsoever, for injuries received or damage to property relating to the performance of duties, services and/or obligations of the CONTRACTOR under the terms and provisions of the Agreement. An original certificate of insurance, indicating that the awarded vendor has coverage in accordance with the requirements of this section, shall be furnished by the vendor to the Contracting Officer within five (5) working days of such request and must be received and accepted by the County prior to contract execution and/or before any work begins.

I. The CONTRACTOR shall be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the Contractor's requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by the CONTRACTOR, nor a failure to disapprove that insurance, shall relieve the CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

7.4 Indemnity. CONTRACTOR shall indemnify and hold COUNTY and its agents, officers, commissioners or employees harmless for any damages resulting from failure of CONTRACTOR to take out and maintain the above insurance. A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in Florida Statutes, section 287.017 for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

Nothing herein shall be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

While the COUNTY has listed all major items which are utilized by County departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this Agreement. Under these circumstances, a County representative will contact the CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to the CONTRACTOR, another vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

7.10 Accuracy. The CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished hereunder. The CONTRACTOR shall, without additional compensation, correct or revise any errors, omissions or other deficiencies in resulting from the services provided herein.

7.11 Additional Services. Services not specifically identified in this Agreement may be added to the Agreement upon execution of a written amendment. The COUNTY reserves the right to award any additional services to the CONTRACTOR or to acquire the items from another vendor through a separate solicitation.

7.12 Right to Audit. The County reserves the right to require CONTRACTOR to submit to an audit by any auditor of the COUNTY's choosing. CONTRACTOR shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. CONTRACTOR shall retain all records pertaining to this Agreement and upon request make them available to the COUNTY for three (3) complete calendar years following expiration of the Agreement. CONTRACTOR agrees to provide such assistance as may be necessary to facilitate the review or audit by the COUNTY to ensure compliance with applicable accounting and financial standards. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY's audit shall be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the CONTRACTOR's invoices and/or records shall be made within a reasonable amount of time, but in no event shall the time exceed ninety (90) calendar days, from presentation of the COUNTY's audit findings to the CONTRACTOR.

7.13 Public Records.

A. All electronic files, audio and/or video recordings, and all papers pertaining to any activity performed by the contractor for or on behalf of the COUNTY shall be the property of the COUNTY and will be turned over to the COUNTY upon request. In accordance with Chapter 119, Florida Statutes, each file and all papers pertaining to any activities performed for or on behalf of the COUNTY are public records available for inspection by any person even if the file or paper resides in the CONTRACTOR's office or facility. The CONTRACTOR shall maintain the files and papers for not less than three (3) complete calendar years after the Service has been completed or terminated, or in accordance with any grant requirements, whichever is longer. Prior to the close out of the contract, the CONTRACTOR shall appoint a records custodian to handle any records request and provide the custodian's name and telephone number(s) to the Contracting Officer.

B. Any copyright derived from this Agreement shall belong to the author. The author and the CONTRACTOR shall expressly assign to the COUNTY nonexclusive, royalty free rights to use any and all information provided by the CONTRACTOR in any deliverable and/or report for the COUNTY's use which may include publishing in COUNTY documents and distribution as the COUNTY deems to be in the COUNTY's best interests. If anything included in any deliverable limits the rights of the COUNTY to use the information, the deliverable shall be considered defective and not acceptable and the CONTRACTOR will not be eligible for any compensation.

C. Pursuant to Section 119.0701, Florida Statutes, the CONTRACTOR shall comply with the Florida Public Records' laws, and shall:

1. Keep and maintain public records that ordinarily and necessarily would be required by the COUNTY in order to perform the services identified herein.
2. Provide the public with access to public records on the same terms and conditions that the COUNTY would provide the records and at a cost that does not exceed the cost provided for by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
4. Meet all requirements for retaining public records and transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY.

Failure to comply with this subsection shall be deemed a breach of the contract and enforceable as set forth in Section 119.0701, Florida Statutes.

7.14 Force Majeure. The parties will exercise every reasonable effort to meet their respective obligations hereunder, but shall not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems and/or any other cause whatsoever beyond the reasonable control of the parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

7.15 Business Hours of Operation. Unless otherwise specified in the technical specifications, all work performed shall be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work shall be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. County Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day.

Special schedules may be established if necessary because of problems with noise or similar difficulties affecting other County facilities, County operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty Dollars (\$250.00) per man per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

7.16 Minimum Wage. The wage rate paid to all laborers, mechanics and apprentices employed by CONTRACTOR for the work under the Agreement shall not be less than the prevailing wage rates for similar classifications of work as established by the federal government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article X, Section 24(f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

7.17 Protection of Property. Furthermore, if the Service is to be completed within COUNTY facilities, CONTRACTOR shall be responsible for repairing or replacing any portion of any COUNTY facility, whether interior or exterior, damaged by reason of the CONTRACTOR's operation within the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to

secure the required services and charge the costs of such services back to the CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, leasees, invitees, or agents of the COUNTY, including but not limited to personal items and/or furniture shall either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

7.18 Risk of Loss. CONTRACTOR assumes the risk of loss of damage to the COUNTY'S property during possession of such property by the CONTRACTOR, and until delivery to and acceptance of that property to the COUNTY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of the CONTRACTOR or a third party.

7.19 Accident Notification. If in the course of completing work as part of this Agreement there is an accident that involves the public, the CONTRACTOR shall as soon as possible inform the COUNTY of the incident by telephone. The CONTRACTOR shall follow up in writing within two (2) business days of the incident. If Law Enforcement was involved and has written a report, the CONTRACTOR shall forward a copy of the report to the COUNTY.
