### **ADDENDUM NO. 2** **June 30, 2016**

### **RFP 16-0625** **Auction Services**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum within the proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

Questions concerning this RFP are due July 8, 2016. The purpose of this addendum is to address questions received to date. Please keep in mind that this solicitation involves many Entities and responses pertaining to each and every Entity may not be available. As the Solicitation Agent for this RFP, many responses below pertain to Lake County.

**Question 1:** Can you explain what the current process or processes have been?

**Answer 1:** Please note that this will be a POOL (Purchasing Officials of Lake) contract. The process used by Lake County in the past has been Option 1A, a live auction by auctioneer with items transported to the auctioneer's facility by the auctioneer. Other participating Entities have used Option 1B and Option 2.

**Question 2:** Which Vendor or Vendors had the current existing RFP?

**Answer 2:** For the past several years, Lake County has been piggy-backing the contract solicited and awarded by Osceola County with George Gideon Auctioneers.

**Question 3:** Can I please have a copy of the latest expired contract?

**Answer 3:** Lake County most recently piggy-backed the Osceola Contract; the contract may be viewed on the Osceola County website ([http://beta.osceola.org/procurement/115-3470-3473/george\\_gideon\\_auctioneers\\_inc.cfm](http://beta.osceola.org/procurement/115-3470-3473/george_gideon_auctioneers_inc.cfm)).

**RFP 16-0625**  
**Addendum 2**  
**Page Two**

**Question 4:** What has been the volume of surplus inventory? How many pieces you have sold last year to date, 200? 300? What is the volume of cars, trucks & equipment pieces? How much are you disposing with miscellaneous items? I'm trying to get some idea of how much inventory the entities have

**Answer 4:** Please see attached prior surplus lists from Lake County and Lake County School Board that were readily available.

Per Lake Emergency Management Services (LEMS): Their volume has been approximately 100 per year: 2-3 chassis; 2 ice maker; 2 pickup bed slides out; pallet of military cots, cardiac monitor and chargers.

**Question 5:** Mixture of inventory, cars, trucks, heavy equipment, miscellaneous items; history of?

**Answer 5:** Per City of Clermont (and similar for Lake County): All of the above including laptops, miscellaneous electronic equipment, bicycles, fire fighter gear, police equipment, lost and found by local enforcement agency, mowers, water and fuel tanks, wearables, jewelry, etc.

Per LEMS: Chassis, medical supplies, fleet maintenance equipment.

**Question 6:** Monthly or annual sales?

**Answer 6:** Periodic as required.
