1.0 Lake County is seeking bids for the purchase of two (2) Fire Turnout Gear Washer/Extractors for the Office of Public Safety.

1.1 The equipment shall be new, of current production year, and must carry the manufacturer's standard guarantee against defective parts and workmanship.

1.2 Bidders who offer equipment which fails to meet the requirements may be considered nonresponsive unless, at the sole determination of the County, the deviation is minor and will not affect the functionality of the equipment. The equipment shall be manufactured to all standards applied by any Federal and State regulations.

2.0 SPECIFICATIONS

2.1 Two (2) fire turnout gear washer/extractors, hard mount, for on-premises laundry use. Minimum specifications are below. All exceptions shall be of equal or greater precision equipment.

2.2 Submit information for equivalent requests before 03/20/2020 to the Point of Contact listed in Section 2.0 of the ITB. Submit the brand, model, and specifications. County makes the final determination if the equivalent qualifies.

2.3 Minimum specifications:

   2.3.1 B&C Technologies model HE-65
   2.3.2 Meets NFPA 1851 Requirements
   2.3.3 All Electric Powered
   2.3.4 Front Loading
   2.3.5 65 lb. Dry Weight Capacity
   2.3.6 Programmable for Extract Speed, Number of Baths, Water, Temperature, Water Levels, Cylinder Rotation Options, Mechanical Action, Wash Time, and Automatic Chemical Injection
   2.3.7 Stainless Steel Cylinder, Tub, and Cover Panels
   2.3.8 Three Year Warranty

2.4 Delivery:

   2.4.1 Shall be made within 90 calendar days after the issuance of the purchase order.

   2.4.1.1 Should the Contractor fail to deliver on or before the stated date, the County reserves the right to CANCEL the order or contract and make the purchase elsewhere and the Contractor shall be required to compensate the County for the difference in the price paid for the alternate goods.

   2.4.2 Contractor shall install equipment with at least one (1) week’s advance notice to the County.

   2.4.3 The delivery shall be FOB as referenced in Exhibit C – Terms and Conditions.
2.4.4 Delivery/Installation locations are to the following Fire Stations:

2.4.4.1 Station 52 – 306 W. Hermosa Street, Lady Lake, FL 32159
2.4.4.2 Station 78 – 16345 County Road 448, Mount Dora, FL 32757

3.0 REPAIRS AND PARTS MANUALS TO BE PROVIDED

The Awarded Contractor shall supply the County with a minimum of two (2) comprehensive repair and parts manuals which identify the component parts and describe the appropriate process for repairing the equipment. Manuals shall be supplied prior to, or upon, delivery of the equipment. Final payment shall be withheld until such time as these manuals are received by the County.

4.0 TRAINING COURSES TO BE PROVIDED

The Awarded Contractor shall provide an intensive training program to a minimum of two (2) County employees per fire station regarding the use of the equipment. Contractor shall bear all costs associated with the required training.

5.0 TRAINING MANUALS TO BE PROVIDED

The vendor shall supply the county with a minimum of four (4) comprehensive training manuals which describe the appropriate use of the equipment purchased by the County in conjunction with this solicitation. The manuals shall be supplied prior to, or upon, delivery of the equipment. Final payment shall be withheld until such time as these manuals are received by the County.
