

TASC never sleeps!

FlexSystem makes it easy for employees to request a reimbursement from any where.

MyTASC Mobile App 2.0 offers **more** functionality for a greater Participant experience...

Download Version 2.0

MyTASC Mobile App 2.0 Functionality

- Submit FlexSystem FSA requests for reimbursement directly from mobile phone!
- Submit substantiation using phone camera to take picture of receipts/forms
- Help screen available for troubleshooting
- No dashes required when entering TASC ID at log-in
- Remembers user log-in information for quick access

MyTASC Mobile App 2.0 still offers the following original features:

- View FlexSystem account balances
- Free download from Apple App Store® and Android Market™ for a smartphone or tablet
- Log-in with current MyTASC username and password
- Secure account access through Secure Socket Layer (SSL) encryption over the Internet

TASC Mobile helps Employers!

- Encourages plan participation and increases tax savings
- Increases employee satisfaction with employee benefits
- Reduces employee questions about their FSA Plan
- Creates a more attractive benefit package for employees

More than 15,000 FlexSystem users have already downloaded the MyTASC Mobile App and are using it daily to retrieve their account balances. The additional functionality of Version 2.0 will offer even more reasons to use TASC Mobile!

TASC will announce Version 2.0 of the MyTASC Mobile App to all FlexSystem Participants very soon.

Visit the TASC Mobile web page for details:
