Promote Well-Planned Communities

Don't stop growth, it will stop economic growth

Address the Impacts of Uncontrolled Growth

5. What are your thoughts about the Lake County Comprehensive Plan process?

It is thorough in regards to getting input; now, will citizen input be valued or ignored?

Much needed plan, but there is a lot of work ahead--continue to keep community informed.

Address Eminent Domain: Every city and county.

A lot of fancy, flashy PowerPoint presentations; not a lot of facts. A lot of airy pontificating.

I endorse positive changes. However, I see need for more job opportunities.

Good to involve community, but was hoping to hear more "here's what we're going to do" tonight.

Are there any available buildings to repurpose into schools to alleviate over crowding?

[Process] controlled by LPA, not staff or Commission.

Interesting.

Need to work with cities

Sounds good, but need to make sure cities and counties are working together and with other boards.

Now that we've addressed the issues and see that we have problems, what will be done to fix CURRENT problems.

Make growth pay for itself and have all home sales contribute to the impact fees.

OK

Ability to obtain agreement, then enforce decision within each area.

Public meetings should be advertised more often.

Keep up the good work!

Sounds good.

It is necessary but not complete.

Not sure yet.

Better intergovernmental coordination.

Our citizens have voiced their opinions about schools and green space. I hope County leaders listen to our concerns.

Roads such as Hancock and Hartwood Marsh are a nightmare now and will be worse when made 4 lanes! Stop lights will be needed on t

Putting a charter school so close to Windy Hills was not thought through.

A bit too slow--needs to be sped up so earlier solution of problems can be effected. Put in the resources to get the job done.

Good.

Good citizen involvement. Hopefully the citizen's concerns will be heard and addressed.

I liked it. Nice forum.

You are keeping us well informed.

Too limited in number--need more non-developer types.

Absolutely necessary process. Capital needs have to be addressed concurrently.

Too broad!

It is a plan with financial backing.

6. Additional Comments:

Need to address hospital issues--it's the off season and all three hospitals are currently full.

More jobs in Lake County.

Impact fees for every house.

Just take into account what is said.

Higher paying jobs are a must!

Boost in Commercial/Professional uses/Traditional neighborhoods that are planned.

If you take away property development rights, the taxpayer has to pay for the cost.

New growth can't pay for old problems.

Bring high profile industry for local employment.

You can't stop growth.

Embrace free market forces.

Listen to our concerns.

Repayment: All of us are going to have to pitch in.

Amye King and Gregg Welstead did a great job questions and answers, helping us to understand

Our low taxes bring people here and add to our problems.

Business and free enterprise can positively impact the quality of life standard of living if properly planned for.

I will visit the website for more information.

Need to address increasing property taxes to pay for schools, roads, and parks.

nts).

both roads.
