IV. COUNTY MANAGER'S CONSENT AGENDA (Tab 3 through Tab 27)

Budget

Tab 3 Approve budget change request and unanticipated revenue resolution.

1. Budget transfer - General Fund, Constitutional Officers/Supervisor of Elections. Due to the Governor's mandatory extension of early voting hours during the November 2008 general election, the Elections Division expended considerably more than budgeted in several line items. This transfer is needed to cover over-expenditures in both personal services and operating line items. Funds were budgeted in Fiscal Year 2008-09 for the printing of absentee ballots for the November 2008 general election. However, the ballots were delivered and paid for before the end of Fiscal Year 2007-08, leaving a majority of those funds available for redistribution.

Funds were budgeted to pay for poll worker training in the Pollworker org code, but payments were actually made from the Elections org code. These funds must be moved to the correct org code.

2. Resolution to amend the Public Transportation Fund in order to receive unanticipated revenue for Fiscal Year 2008-09 in the amount of $1,743 deposited into Other Transportation Fees and provide appropriations for the disbursement for Promotional Activities. Unanticipated revenue will be received from the Florida Public Transportation Association and will be used for marketing efforts to promote Lake Express (fixed route service).
