Lake County's

FARM TOUR

MARCH 30, 2012
OPEN TO THE PUBLIC

The Lake County Agricultural Center welcomes you to the third annual Lake County Farm Tour.

Participants will meet at the Lake County Agriculture Center, located at 1951 Woodlea Road in Tavares, where check-in will begin at 7:45 a.m. The tour bus will depart from the Agriculture Center promptly, at 8 a.m. to begin the tour.

\$15
per person

To register, log on to

www.eventbrite.com/event/3073820881

*Pre-registration is required by **March 26**, as space is limited. In addition, participants will be provided with boxed lunches at the last stop. Vegetarian lunch options are available, upon request.*

1 Living Towers

19621 Lake Lincoln Lane, Eustis
www.livingtowers.com

Living Towers Hydroponic Farm houses a 2,000 square foot, state-of-the-art greenhouse that produces lettuces and numerous vegetables. A prototype of the future in community and family food production and consumption, Living Towers uses rainwater and solar energy to produce "Clean and Green" food. Its hydroponic growing system creates a highly oxygenated environment for its plants. Living Towers services the local community by selling produce directly from the farm, while supplying organic co-ops and food banks.

2 AG 3, Inc.

19825 E. State Rd. 44, Eustis
www.ag3inc.com

AG 3 is a biological technology company that produces herbaceous perennials, grasses, sedges, bulbs, insectivorous and tropical plants through tissue culture cloning. With 25,000 square feet of controlled lab space, AG 3 uses scalpels, microscopes and petri dishes to produce thousands of plants from a single growing tip, which are cut from a superior "mother" plant. The plants grow on a gelled, nutrient-rich medium with growth regulators, in a sterile, temperature and light controlled laboratory.

3 Mo Brangus

22719 U.S. Highway 46, Sorrento

MO Brangus is a purebred and commercial beef producer. The ranch's purebred bulls bring the best possible Brangus beef genetics to cattle producers throughout the state of Florida. The beef genetics produced by MO Brangus are taking their customers' commercial cow herds to the next level with increased efficiency, improved feedlot performance and improved carcass performance to create increased profit opportunities.

4 Oak Haven Farm

32430 Avington Road, Sorrento
www.berriesandtrees.com

Oak Haven Farm is a small diversified family farm with you-pick strawberries, fruit wines and family activities. The farm features a country store which sells jams, jellies, sauces and more. Oak Haven also has a "Country Kitchen" that serves its famous home-style strawberry shortcake, homemade milkshakes and other desserts, on weekends during strawberry season (Jan.-April). "U-Roast Hot Dogs" on a bonfire with chips and drinks are available on weekends from December-April.
