<input type="checkbox"/> 5	\$29,420	\$2,451
<input type="checkbox"/> 6	\$33,740	\$2,811
<input type="checkbox"/> 7	\$38,060	\$3,171
<input type="checkbox"/> 8	\$42,380	\$3,531

2018 Federal Poverty Guidelines

DISCLAIMER AND LIABILITY RELEASE (MUST BE SIGNED TO PARTICIPATE)

By signing this document, the undersigned resident has requested this service and will allow Emergency Management personnel to provide an NOAA weather radio programmed to the **Specific Area Message Encoding (SAME)** designated for Lake County.

NOAA weather radios are effective in warning residents of fast-moving storms such as severe thunderstorms and tornadoes. However, the NOAA weather radio has to be properly maintained. Your responsibility is to keep the weather radio positioned for optimum reception, plugged in and batteries replaced at a minimum of once yearly or when the device indicates a low battery.

I also agree to receive severe weather information and educational materials during this visit for the added safety of the occupants of my residence, and myself; and that I, my heirs and legal agents do hereby release Lake County and all agencies, organizations, institutions or individuals who are now or who may become associated with this service from any and all liability for damages, injury or casualty of any sort whatsoever involving my residence, my property, myself, or any other person which results or may result from activities conducted directly or indirectly for this service.

Signature: _____ Date: _____

A NOAA Weather Radio can be picked up in person from our office located at 425 W. Alfred St. Tavares, FL 32778. PLEASE CALL OUR OFFICE 352.343.9420 TO SCHEDULE AN APPOINTMENT. Completed forms may be emailed to disasterready@lakecountyfl.gov.
