Begin Preparing Now!

Atlantic Hurricane Season is Here

When a hurricane sets its sights on Lake County, there may not be much time to act.
Preparing now for an emergency, such as a hurricane,
will give you and your family time to react safely and quickly.

HERE ARE SOME TIPS TO HELP YOUR FAMILY COPE WITH A HURRICANE

- ☑ The best family disaster plans should be kept simple and are easy to remember.
- ☑ If you must evacuate your home, plan to take your pets with you.
- ☑ Be familiar with evacuation routes in your neighborhood. Plan several escape routes for different situations.
- ☑ Find the safe spots in your home.
- ☑ Keep a NOAA weather radio in your home.
- ☑ Select one calling point, possibly a friend or relative, where family members can contact, if they are separated from the rest of the family.
- ☑ Instruct household members to turn on the radio or television for emergency information.
- ☑ Learn and post emergency phone numbers and information.
- ☑ Take a basic first aid and CPR class.
- ☑ Stock a disaster-supply kit.

For more hurricane preparation information, call the Lake County Public Safety Department, Emergency Management Division, at **352-343-9420** or log on to **www.lakecountyfl.gov**, keyword: **hurricane**.
