Re: Project No. 2007110008, Application No. 1042

Description: SUMMER BAY RESORT 8 UNIT CONDO
2-STORY, 8 UNIT CONDO BUILDING

Dear MILLER, EINHOUSE, RYMER & BOYD:

Your Site Plan application has been reviewed by the Development Review Staff. Review comments are attached. All comments must be satisfied by the applicant prior to receiving a staff approval or being placed on a Public Hearing agenda.

Please respond to comments in the following manner:

- 1. Submit fifteen (15) legible, signed and sealed sets of plans. (19 sets if within Clermont JPA)**
 - Revised sheets shall have revision dates in the title block.
 - Plan revisions must be either circled or their location indicated in the written response letter.
- 2. Provide a written response to all comments.**
- 3. All plans shall provide a space five (5) inches by six (6) inches on the front page of each set of submittals to be used for the County approval stamp.**
- 4. Plan revisions submitted thirty (30) days after the DRS meeting will result in a \$100 Plan Revision fee.**
- 5. When all requested information has been received, it will be circulated to the DRS staff for review.**

The Development Review Staff will then review revised plans and responses to comments for compliance with the appropriate Land Development Regulations and Comprehensive Plan. This review will be completed within fifteen (15) days of receipt of all required information and you will be notified of the results of the review.

Should you have any questions, please do not hesitate to contact our office.

Sincerely,

Development Review

Item: SITE PLAN MEETING REQUIREMENTS OF LDR 14.09.00

Remarks: Karen Ginsberg - 3/14/07

Please specify/label the intended use for the easement running east-west across the property (i.e. utility, access, etc). As a structure is currently shown on the easement, Staff needs this information in order to properly assess the situation. The building may need to be moved or the easement may need to be vacated.

Please submit a Boundary Survey showing the perimeter of the project site (as illustrated by the dark dashed line of Sheet 4). The submitted sketch only includes the building.

A portion of Building 501 is overlapping the property line. Please correct.

Karen Ginsberg - 12/17/07

Please provide a table on the Cover Sheet showing the overall number of residential units allowed per the DRI, the number of units developed within the DRI at time of submittal, and the number of units remaining within the allotment.

Please place a note on Sheet 4 stating that the minimum allowable living area is six hundred (600) square feet.

Please specify the number of floors.

The minimum distance between residential buildings shall be fifteen (15) feet or five (5) feet times the sum of the floors for both buildings. Please correct as necessary.

The project is within two parcels. Please provide a Unity of Title.

Please label the two projections at the center of the building. It is unclear as to whether they are paving or structures.

Please specify/label the intended use for the easement running east-west across the property. A vacation may be required.
